

THORNTON | MARION

CLASSICAL  
DYNAMICS  
OF PARTICLES AND SYSTEMS

A diagram illustrating a multi-body system. Six particles, represented as dark grey spheres, are positioned at various points along several concentric, elliptical orbits. The orbits are drawn in a light green color and are centered around a common point, suggesting a central body or a specific center of mass. The particles are distributed across the orbits, with some on the inner orbits and others on the outer ones, showing their relative positions and potential paths.
