## **Basic Neurology Gilroy Basic Neurology:**

**Basic Neurology** John Gilroy, Patti L. Holliday, 1982 The ideal guide to clinical neurology this edition of one of the most useful references in medicine provides the latest diagnostic and treatment information in an easy to use format Keeping pace with rapid progress in neurologic treatment and understanding fully 50% of this book has been updated with many chapters completely rewritten What has not changed in Basic Neurology is the concise the compact format offering convenient access to the most needed procedures and data Basic Neurology opens with review of examination for common conditions including headaches and seizures For easy reference the remainder of the book categorizes neurologic disorders by signs symptoms and syndromes in a well organized tabular format Within each category each individual disorder is described by definition cause pathologic features clinical features diagnostic procedures differential diagnosis treatment and prognosis More convenient than textbooks and far more thorough than abbreviated guides this handbook gives you what you need at a moment's notice without skimping on essential causal diagnostic and treatment information

**Basic Neurology** John Gilroy, 2000 This overview of neurology begins with a review of the neurologic examination of common conditions such as seizures and headache The rest of the text is divided into categories of neurologic diseases and reviews of individual disorders

**Three More Mondays** Raymond Stevens MD, 2019-09-23 Three More Mondays is more than a time check about life and death It's about us you and me Together we will explore from the ancient time of Hippocrates to the present age this ongoing saga of medical knowledge from twenty six human maladies A to Z that I have witnessed diagnosed or treated as a physician As we embark on this intimate medical odyssey the fragile but resilient human spirit is visibly exposed in the context of illness by the trials tribulations and triumphs of my patients Hopefully this book will enlighten not only fledgling medical students interns and residents of what the practice and art of medicine once was but sadly what it is no longer a personal doctor patient relationship For the general public they may get a glimpse of themselves or of their loved ones in similar medical situations addressed in this book and perhaps they may come away with a deeper awareness that illness is not just experienced alone but shared as each one of us travels on our own individual medical journey in search of hope and healing
