John McLeod, 2013-01-18 Postcolonialism has become one of the most exciting popular and stimulating fields of literary and cultural studies in recent years Yet the variety of approaches the range of debate and the critical vocabularies often used may make it challenging for new students to establish a firm foothold in this area Beginning Postcolonialism is a vital resource for those taking undergraduate courses in postcolonial studies for the first time and has become an established international best seller in the field In this fully revised and updated second edition John McLeod introduces the major areas of concern in a clear accessible and organised fashion He provides an overview of the emergence of postcolonialism as a discipline and closely examines its many established critical approaches while also exploring important recent initiatives in the field In particular Beginning Postcolonialism demonstrates how many key postcolonial ideas and concepts can be effectively applied when reading texts and enables students to develop their own independent thinking about the possibilities and pitfalls of postcolonial critique *The Postcolonial Studies Reader* Bill Ashcroft, Gareth Griffiths, Helen Tiffin, 2024-07-11

The most comprehensive collection of postcolonial writing theory and criticism this third edition has been thoroughly revised and updated to include 125 extracts from key works in the field Leading as well as lesser known figures in the fields of writing theory and criticism contribute to this inspiring body of work that includes sections on nationalism hybridity diaspora and globalisation As in the first two editions this new edition of *The Postcolonial Studies Reader* ranges as widely as possible to reflect the remarkable diversity of work in the discipline and the vibrancy of anti imperialist and decolonising writing both within and without the metropolitan centres This volume includes new work in the field over the decade and a half since the second edition was published Covering more debates topics and critics than any comparable book in its field *The Postcolonial Studies Reader* provides the ideal starting point for students and issues a potent challenge to the ways in which we think and

write about literature and culture      **British culture after empire** Josh Doble,Liam Liburd,Emma Parker,2023-03-14  
British culture after Empire is the first collection of its kind to explore the intertwined social cultural and political aftermath of empire in Britain from 1945 up to and beyond the Brexit referendum of 2016 combining approaches from the fields of history English and cultural studies Against those who would deny downplay or attempt to forget Britain s imperial legacy the various contributions expose and explore how the British Empire and the consequences of its end continue to shape Britain at the local national and international level As an important and urgent intervention in a field of increasing relevance within and beyond the academy the book offers fresh perspectives on the colonial hangovers in post colonial Britain from up and coming as well as established scholars      *Unhomely England in Post-Imperial British Novels* Soody Gholami,2026-01-22  
This book investigates the nature of home and nation in post imperial British novels which deal with the loss of Empire and its uncanny presence at home It delves into histories of British colonialism the end of the Empire decolonisation post Second World War nation building and devolution all of which resurface in four selected novels of the late twentieth and early twenty first centuries Marina Warner s *Indigo* 1992 Caryl Phillips s *The Nature of Blood* 1997 Julian Barnes s *Arthur George* 2005 and Zadie Smith s *NW* 2012 Soody Gholami draws on postcolonial theory and Freud s *unheimlich* translated as unhomely and uncanny to investigate the novels engagement with postwar government policies specifically in the areas of social housing the British Welfare State and the National Curriculum The analytical perspective highlights the novels evocation of unhomely England that challenges underlying illiberal and jingoistic national narratives Exploring the writers different depictions of home interiors architectural features and British local landscapes this book argues that post imperial British novels continue to highlight racial gendered and class inequalities that undergird domestic perceptions of belonging and national identity in post imperial Britain Gholami also refers to Brexit as the symptom and result of the unresolved history and legacy of colonialism which the novels studied have anticipated all along Combining postcolonial literary critical and psychoanalytical methodology this book will be of interest to scholars of literature postcolonial studies social policy and other disciplines that engage with the concept of home      **Firefly Revisited** Michael Goodrum,Philip Smith,2015-02-02  
According to Joss Whedon the creator of the short lived series *Firefly* 2002 the cult show is about nine people looking into the blackness of space and seeing nine different things The chronicles of crewmembers on a scruffy space freighter *Firefly* ran for only four months before its abrupt cancellation In that brief time however it established a reputation as one of the best science fiction programs of the new millennium sharply written superbly cast and set on an exotic multicultural frontier unlike anything ever seen on the small screen The show s large enthusiastic fan following supported a series of comics and a theatrical film *Serenity* 2005 that extended the story deepened the characters and revealed new wonders and dangers on the deep space frontier In *Firefly Revisited* Essays on Joss Whedon s Classic Series Michael Goodrum and Philip Smith present a collection that reflects on the program the characters and the post cancellation film and comics that grew out of the show The

contributors to this volume offer fresh perspectives on familiar characters and blaze new trails into unexplored areas of the Firefly universe Individual essays explore the series place in the history of the space Western subgenre the political economy of the Alliance and the uses of music and language in the series to immerse audiences in a multicultural future These essays look at how the show offered viewers high adventure as well as engaged with a range of themes that still resonate today As such Firefly Revisited will intrigue the show s many fans as well as Whedon scholars and anyone interested in the twenty first century renaissance of science fiction television

**Nations, National Narratives and Communities in the Asia-Pacific** Norman Vasu,Yolanda Chin,Kam-ye Law,2013-09-05 Many states in the Asia Pacific region are not built around a single homogenous people but rather include many large varied different national groups This book explores how states in the region attempt to develop commonality and a nation and the difficulties that arise It discusses the consequences which ensue when competing narratives clash and examines the nature of resistance to dominant narratives which arise It considers the problems in a wide range of countries in the region including Indonesia Malaysia Singapore Hong Kong Korea Australia and New Zealand

**“Indians Wear Red”** Elizabeth Comack,Lawrence Deane,Larry Morrissette,Jim Silver,2020-11-26T00:00:00Z With the advent of Aboriginal street gangs such as Indian Posse Manitoba Warriors and Native Syndicate Winnipeg garnered a reputation as the gang capital of Canada Yet beyond the stereotypes of outsiders little is known about these street gangs and the factors and conditions that have produced them Indians Wear Red locates Aboriginal street gangs in the context of the racialized poverty that has become entrenched in the colonized space of Winnipeg s North End Drawing upon extensive interviews with Aboriginal street gang members as well as with Aboriginal women and elders the authors develop an understanding from inside the inner city and through the voices of Aboriginal people especially street gang members themselves While economic restructuring and neo liberal state responses can account for the global proliferation of street gangs the authors argue that colonialism is a crucial factor in the Canadian context particularly in western Canadian urban centres Young Aboriginal people have resisted their social and economic exclusion by acting collectively as Indians But just as colonialism is destructive so too are street gang activities including the illegal trade in drugs Solutions lie not in quick fixes or getting tough on crime but in decolonization re connecting Aboriginal people with their cultures and building communities in which they can safely live and work
