Dragonquest:

Dragonquest Anne McCaffrey, 2025-04-01 FINALIST FOR THE LOCUS AWARD The second novel in the legendary and magical New York Times bestselling series featuring dragons adventure romance and heroism from Hugo and Nebula Award winning author Anne McCaffrey Pern was one of the first fantasy worlds I fell into and I am forever grateful Leigh Bardugo author of Ninth House Lessa and her golden queen dragon may have given their world a fighting chance against the deadly Thread by bringing several hundred dragons and their riders forward in time but this has also caused other problems to arise The Oldtimers as they are known are having a difficult time adjusting to their more modern world and tensions are rising Worse Threadfall is becoming more unpredictable which makes it harder to combat Inspired by Lessa s example brown dragonrider F nor hatches a bold plan to cut through these growing tensions by destroying the Thread at its source the mysterious Red Star But his quest to go where no man or dragon has gone before will risk not only his life but the heart of a woman who has already lost far more than she can bear Don t miss the original trilogy from Anne McCaffrey s beloved Dragonriders of Pern series DRAGONFLIGHT DRAGONQUEST THE WHITE DRAGON **Dragonquest** Anne McCaffrey, 2002-02-26 FINALIST FOR THE LOCUS AWARD The second novel in the legendary and magical New York Times bestselling series featuring dragons adventure romance and heroism from Hugo and Nebula Award winning author Anne McCaffrey Pern was one of the first fantasy worlds I fell into and I am forever grateful Leigh Bardugo author of Ninth House Lessa and her golden queen dragon may have given their world a fighting chance against the deadly Thread by bringing several hundred dragons and their riders forward in time but this has also caused other problems to arise The Oldtimers as they are known are having a difficult time adjusting to their more modern world and tensions are rising Worse Threadfall is becoming more unpredictable which makes it harder to combat Inspired by Lessa s example brown dragonrider F nor hatches a bold plan to cut through these growing tensions by destroying the Thread at its source the mysterious Red Star But his quest to go where no man or dragon has gone before will risk not only his life but the heart of a woman who has already lost far more than she can bear Don t miss the original trilogy from Anne McCaffrey s beloved Dragonriders of Pern series DRAGONFLIGHT DRAGONQUEST THE WHITE DRAGON *Dragonquest* Anne McCaffrey, 1997-09-01 Another Turn and the deadly silver Threads began falling again So the bold dragonriders took to the air once more and their magnificent flying dragons swirled and swooped belching flames that destroyed the shimmering strands before they reach the ground But F lar knew he had to find a better way to protect his beloved Pern and he had to find it before the rebellious Oldtimers could breed anymore dissent before his brother F nor would be foolhardy enough to launch another suicide mission and before those dratted fire lizards could stir up any more trouble *The Legend of Dragon Quest* Daniel Andreyev, 2019-05-21 Discover all the secrets and mechanics of the famous Japanese video game Dragon Quest This book looks back at the entire Dragon Quest saga tells the story of the series birth retraces its history and deciphers its mechanics In this book the author shares us all his

expertise and his passion in Japanese gaming to decipher the creation and the story of this saga and his creator Yuji Horii

EXTRAIT Even with only limited knowledge of Japanese and somewhat difficult technical conditions the story was very well told This was perhaps what surprised players most Dragon Quest V is a large family cycle of emotions as transparent as an epic tale by Alexandre Dumas the author of famous works such as The Three Musketeers In the end I was lucky that my first taste of the series was this excellent episode since VI was far more extravagant with its tales of parallel universes and heroes traveling on flying beds A slightly puzzling game but not without levity nor offbeat humor One of the most emotional moments of Dragon Quest V is when we end up going back in time to change the past thus saving the future The time travel theme has been so often used in science fiction particularly during the 1980s that it should have left me impassive It was not even the first time I had experienced it in a video game But this adventure with its simple graphics and persistent melodies glanced lightly upon feelings that leave no one unmoved What would I have done differently if I could have changed things is a very common concept used in fiction from A Distant Neighborhood by Jir Taniguchi to the Quantum Leap series Well told it is so simple and so effective that it affects each and every one of us

CE QU EN PENSE LA CRITIQUE Un livre passionnant que j'ai dû voir au point de rogner sur mes heures de sommeil Ici l'auteur ne nous bassine pas avec des tartines de textes pour nous conter avec détail l'histoire de chaque épisode les ventes incommensurables de la série ou encore un almanach des jeux estampillés DraQue Kaisermeister

Sens Critique Un livre plein d'anecdotes qui feront vibrer votre corde nostalgique et qui donne envie une fois terminé de replonger dans l'aventure neotsubasa

Sens Critique C'est une biographie très détaillée riche en anecdotes et bien romancée Yuji Horii est un personnage fascinant au CV bien rempli et la genèse de la saga est tout aussi passionnante tel point que j'ai parfois eu du mal à décrocher

Nixotane Sens Critique PROPOS DE L'AUTEUR Daniel Andreyev is an author and journalist of Russian origin His career in video game journalism began twenty years ago during the golden years of video gaming with Player One Consoles and Animeland with a particular interest in Japan Having spent some time on translation he is now part of the New Games Journalism movement which places the player at the heart of the video game experience He produces the After Hate and Super Cin Battle podcasts He also trades memories with his friends in Gaijin Dash the Gamekult show on Japanese video games He is a fan of far too many things to list them all here But when he is not writing not watching a movie not reading comics and graphic novels not climbing mountains or exploring ruined buildings he might be cooking exercising or dreaming of one day owning a dog

Dragon Quest: The Adventure of Dai, Vol. 1 Riku Sanjo, 2022-03-01 Before his adventure begins Dai lives in peace as the lone human among monsters on Dermline Island While he dreams of becoming a hero a group of fakes shows up to kidnap the Golden Metal Slime Then when Princess Leona arrives in need of a hero Dai is ready to answer her call but he needs more training Will a tutor come along to help him

VIZ Media Dragon Quest: The Adventure of Dai, Vol. 5 Riku Sanjo, 2022-11-08 After facing Hadlar Dai and his companions must rescue Princess Leona from Flazzard The combined forces of Flazzard and Mystvearn may pose a threat
