Green, David I. Starling, 2018-07-11 Do revelation and reason contradict Throughout the church's history Christians have been tempted to make revelation and reason mutually exclusive But both are essential to a true understanding of the faith The inaugural Theology Connect conference held in Sydney in July 2016 was dedicated to surveying the intersection of revelation and reason In *Revelation and Reason in Christian Theology* Christopher C Green and David I Starling draw

together the fruit of this conference to provoke sustained deep reflection on this relationship The essays filtered through epistemological biblical historical and dogmatic lenses critically and constructively contribute to this important and developing aspect of theology Each essayist approaches revelation and reason according to the psalmist's words In your light we see light Ps 36:9 The light of faith does not obscure truth rather it enables us to see truth *The Enduring Authority of the Christian Scriptures* D. A. Carson, 2016-02-29 Valuable insights into key disputed topics from a veritable who's who of evangelical scholars In this volume thirty seven first rate evangelical scholars present a thorough study of biblical authority and a full range of issues connected to it Recognizing that Scripture and its authority are now being both challenged and defended with renewed vigor editor D A Carson assigned the topics that these select scholars address in the book After an introduction by Carson to the many facets of the current discussion the contributors present robust essays on relevant historical biblical theological philosophical epistemological and comparative religions topics To conclude Carson answers a number of frequently asked questions about the nature of Scripture cross referencing these FAQs to the preceding chapters This comprehensive volume by a team of recognized experts will be the go to reference on the nature and authority of the Bible for years to come CONTRIBUTORS James Beilby Kirsten Birkett Henri A G Blocher Craig L Blomberg D A Carson Graham A Cole Stephen G Dempster Daniel M Doriani Simon Gathercole David Gibson Ida Glaser Paul Helm Charles E Hill Peter F Jensen Robert Kolb Anthony N S Lane Te Li Lau Richard Lints V Philips Long Thomas H McCall Douglas J Moo Andrew David Naselli Harold Netland Osvaldo Padilla Michael C Rea Bradley N Seeman Alex G Smith R Scott Smith Rodney L Stiling Glenn S Sunshine Timothy C Tennent Mark D Thompson Kevin J Vanhoozer Bruce K Waltke Barry G Webb Peter J Williams John D Woodbridge **The Basics of Christian Belief** Joshua Strahan, 2020-05-19 This reader friendly yet robust introduction to the Christian faith explores the essentials of Christianity and the impact they have on life worldview and witness Written in an accessible and engaging voice for college age readers the book connects the biblical plotline the Apostles Creed the comparative distinctiveness of Christianity and life's big questions The author shows how the Christian metanarrative speaks to questions about purpose worth ethics personhood and more and helps readers understand what it means to be a Christian in a post Christian world *Understanding the Hebrew Bible* John Barton, 2025-02-01 This is the latest in a series of volumes published about every twenty five years since 1924 surveying the current state of the academic study of the Old Testament more often called the Hebrew Bible in scholarly contexts It is written by leading members of the Society for Old Testament Study the professional organization for scholars in that field in the UK and Ireland but with international members too some of whom have contributed to the volume It provides academics students of the Bible clergy and rabbis and intelligent general readers with a snapshot of the main approaches and issues in the study of the Hebrew Bible since approximately the year 2000 There are chapters on specific biblical books in their ancient context grouped mainly by genre but also on methodological aspects of biblical studies today including interdisciplinary perspectives and

contemporary questions such as the Bible in sociological theological historical archaeological literary and linguistic perspectives and the influence of concerns about gender race visual culture and psychology A particular recent interest is represented by a chapter on the reception history of the Hebrew Bible in the visual arts music and literature including drama and film The concern throughout is to encapsulate contemporary currents in interpretation rather than to put forward the contributors personal views but also to suggest how biblical study may or should develop next in these areas As with previous volumes what is provided is a view of global scholarship as seen from these islands that will be useful to serious students of the Hebrew Bible throughout the world As well as describing their field the contributors also provide substantial bibliographies pointing readers to other modern discussions

*Divine Scripture in Human Understanding* Joseph K. Gordon, 2019-03-15 In six closely reasoned chapters Joseph Gordon presents a detailed account of a Christian doctrine of Scripture in the fullest context of systematic theology *Divine Scripture in Human Understanding* addresses the confusing plurality of contemporary approaches to Christian Scripture both within and outside the academy by articulating a traditionally grounded constructive systematic theology of Christian Scripture Utilizing primarily the methodological resources of Bernard Lonergan and traditional Christian doctrines of Scripture recovered by Henri de Lubac it draws upon achievements in historical critical study of Scripture studies of the material history of Christian Scripture reflection on philosophical hermeneutics and philosophical and theological anthropology and other resources to articulate a unified but open horizon for understanding Christian Scripture today Following an overview of the contemporary situation of Christian Scripture Joseph Gordon identifies intellectual precedents for the work in the writings of Irenaeus Origen and Augustine who all locate Scripture in the economic work of the God to whom it bears witness by interpreting it through the Rule of Faith Subsequent chapters draw on Scripture itself classical sources such as Irenaeus Origen Augustine and Aquinas the fruit of recent studies on the history of Scripture and the work of recent scholars and theologians to provide a contemporary Christian articulation of the divine and human locations of Christian Scripture and the material history and intelligibility and purpose of Scripture in those locations The resulting constructive position can serve as a heuristic for affirming the achievements of traditional historical critical and contextual readings of Scripture and provides a basis for addressing issues relatively underemphasized by those respective approaches

**Befriending Scripture** Jonathan Rowlands, 2025-10-16 Builds upon and moves beyond John Webster s influential work on Scripture s ontology to construct a hermeneutical approach to scriptural interpretation

**The Quest to Save the Old Testament (Studies in Historical and Systematic Theology)** David Ney, 2022-07-27 Pastors and scholars today lament the Old Testament s neglect in the West But this is nothing new In the eighteenth century natural philosopher John Hutchinson witnessed the Old Testament becoming devalued as Scripture In his mind the blame lay with Isaac Newton In *The Quest to Save the Old Testament* David Ney traces the battle over Scripture during the Enlightenment period For Hutchinson critical scholarship s enchantment with the naturalism of

Newton undermined the study of the Old Testament As cultural forces reshaped biblical interpretation Hutchinson spawned a movement that sought above all to reclaim the Old Testament as Christian scripture Hutchinson s followers sought to be shaped by Scripture not culture Rejecting the Newtonian degradation of history they offered a compelling figural defense of the Old Testament s doctrinal and moral significance The Old Testament is the voice of Providence It is the means of discerning God s hand at work both in nature and in history The Quest to Save the Old Testament is a timely retelling of attempts to save the Old Testament Back cover Biblical Theology Andreas J. Brown, 2007-10-03 Is the Bible infallible as some churches claim Is it a historical document or a piece of literature as scholars suggest This helpful new book offers a brief introduction to the question of biblical authority using essays by sixteen scholars who use the Bible as the word of God in their own religious tradition and scholarship After William Brown introduces the basic issues of biblical authority each scholar presents a different but sympathetic view from his or her own perspective Included are traditional Reformed Lutheran Wesleyan Catholic Jewish and Orthodox views recent conservative and evangelical positions and critical African American Asian American Hispanic feminist and womanist perspectives **An Introduction to the Critical Study and Knowledge of the Holy Scriptures** Thomas Hartwell Horne, 1877 **Captive to the Word of God** Miroslav Volf, 2010-11-12 Full of insight and wisdom for those who wrestle with the challenges of living out Christian faith with the Bible in one hand and today s newspaper in the other John R Franke Biblical Seminary **The Abingdon Introduction to the Bible** Dr. Joel S. Kaminsky, Dr Mark Reasoner, Dr. Joel N. Lohr, 2014-03-18 The Bible has profoundly influenced the western world Many of its characters and stories are well known and yet oddly enough wide

swaths of the Bible are unknown and misunderstood The laws and teaching contained within it have shaped contemporary thinking and jurisprudence in ways many do not realize Equally important two of the world s largest religions Judaism and Christianity consider the Hebrew Bible to be sacred and to contain enduring truths about beginnings and creation life and death the world and what it means to be human Introductions to the Bible tend toward extensive discussion with little to introduce the beginner to the Bible s tremendous influence on contemporary society or to the complexities of reading ancient religious literature Further few discuss the differing ways Jews and Christians approach those parts of the Bible that they share in common or how each group appropriates materials from this common scriptural pool in divergent conflicting and often complex ways As classroom teachers of introductory courses on the Bible the authors of this volume will acquaint students with the tremendous influence that the Bible has had on culture and to address some of the critical questions in user friendly faith respecting ways in order to maximize students appreciation of the biblical text and their understanding of it This introduction will introduce the beginner to the Bible with simplicity and precision in an engaging manner It will provide the reader with a quick overview of the issues related to reading and studying the Bible as an academic discipline while simultaneously illustrating the importance of the Bible for religion western jurisprudence ethics and contemporary conceptions of the family morality and even politics A CHOICE Magazine Outstanding Academic Title of 2014 [Searching the Scriptures: A feminist commentary](#) Elisabeth Schüssler Fiorenza, Shelly Matthews, 1994 This utilizes biblical historical and literary critical scholarship for a feminist reading of the Scriptures Rather than focusing only on the women s passages it analyzed the writings in their entirety and brings to the fore the suppressed voices and subjugated knowledges of times past

Arterbury, 2019 In this book Andrew Arterbury seeks to read and expound upon the final form of the Gospel of Luke from both a literary and theological angle To buttress both endeavors Arterbury routinely asks how the first readers or listeners of Luke s Gospel likely made sense of both the literary flow of the book as well as the theological convictions it espouses To ask about the readers Luke first envisioned when he wrote this Gospel is to ask how late first century Jewish and Gentile Christians enmeshed in the cultures of the Mediterranean basin likely responded to Luke s Gospel a vivid narrative about the life death and resurrection of Jesus God s anointed Son Savior and prophet Edited by Todd Still Associate Professor of Christian Scripture New Testament at the George W Truett Theological Seminary of Baylor University the Reading the New Testament commentary series presents cutting edge biblical research in accessible language
