*Villagers say they saw her flying over a barn. When Betty has a fit as people downstairs sing a psalm (a religious song), Mrs. Putnam claims that Betty cannot bear to hear the Lord's name because she is a witch.*
9. Why did Mrs. Putnam contact Tituba?  
*She has lost 7 children in childbirth and wants to know who is "killing" her babies.*

*Shakespeare through Letters* David M. Bergeron, 2020-10-14 In *Shakespeare through Letters* David M Bergeron analyzes the letters found within Shakespeare s comedies histories and tragedies arguing that the letters offer the principal intertextual element in the plays as text in their own right Bergeron posits that Shakespeare s theater itself exists at the intersection of oral and textual culture which the letters also exhibit as they represent writing reading and interpretation in a way that audiences would be familiar with in contrast with the illustrious culture of kings queens and warriors This book demonstrates that the letters profound or perfunctory constitute texts that warrant interpretation even as they remain material stage props impacting narrative development revealing character and enhancing the play s tone Scholars of literature theater and history will find this book particularly useful
