The Great Partition Making Of India And Pakistan Yasmin Khan:

The Great Partition Yasmin Khan, 2007-09-18 **The Great Partition** Yasmin Khan, 2007-08 The Partition Of India In 1947 Promised Its People Both Political Freedom And A Future Free Of Religious Strife Instead The Geographical Divide Effected An Even Greater Schism Of The Population Benefiting The Few At The Expense Of The Very Many Exposing Huge Numbers Of The Population To Devastating Consequences Thousands Of Women Were Raped At Least One Million People Were Killed And Ten To Fifteen Times That Number Forced To Leave Their Homes As Refugees It Was Among The First Most Significant And Bloodiest Events Of Decolonization In The Twentieth Century In The Great Partition Yasmin Khan Examines The Context Execution And Aftermath Of The Subcontinent S Division Weaving Together Local Politics And Ordinary Lives With The Larger Political Forces At Play She Exposes The Obliviousness Of The Small Elite Driving Division As Well As Of The Majority Of Activists On Both Sides To What The Partition Would Entail In Practice How It Would Affect The Populace And How Damaging Its Legacy Would Be Published To Coincide With The 60Th Anniversary Of Partition And Independence This Illumination Account Draws Together A Fresh And Considerable Body Of Research Including Many New Interviews And Archival Sources To Underscore The Catastrophic Human Cost Of Partition And To Show Why Its Repercussions Resound Even Today Scholarly Deeply Felt Terrifying And Wise This Book Is A Sobering Analysis Of One Of The Twentieth Century S Greatest Calamities

The Chaos of Empire Jon Wilson, 2016-10-25 From the moment in the 1680s that the East India Company began to trade with the Mughal rulers of the port cities of Surat Madras Bombay Calcutta and Chittagong the story of the Indian subcontinent was changed forever Before its dissolution in 1857 the officers of the East India Company had under their command more than a quarter of a million troops and functioned not as a trading partner but a quasi imperial government whose monopolistic habits and trade preferments included the tax on tea that led directly to the American Revolution On its dissolution the Times reported It accomplished a work such as in the whole history of the human race no other company ever attempted and as such is ever likely to attempt in the years to come This was meant as a compliment but it concealed a much more brutal truth From the famine of 1770 in which one third of the people living in the state of Bengal perished to the Anglo Mughal wars and the later brutal repression of the Anglo Afghan Wars the story of the British in India was one of conflict and divide and rule relentlessly applied from the relative security of the world s most powerful naval vessels and the forts they supplied Interspersed between the major wars were numerous minor conflicts most lost to popular histories which underscore the continual violence of the imperial project In The Chaos of Empire Jon Wilson uses the everyday lives of administrators soldiers and subjects British and Indian to lift the veil of empire to show how British rule really worked Far from the orderly Raj that its officials sought to portray British rule in conquered India was chaotic and paranoid and led to a succession of unstable states in South Asia and across the world Most importantly empire in India created a huge gap between image and reality enabling a small number of people a social and political elite to project power

across the world Among its legacies were continual cycles of hubristic state enterprise followed by massive failure up to and including the neo imperial adventures in Afghanistan and Iraq now Long after the end of empire The Chaos of Empire argues that we still try to live by the myths created by the Raj At a time when Prime Minister Narendra Modi is arguing that Britain should pay restitution for the damage done to the Indian subcontinent under British rule this comprehensive dynamic and fierce history of Britain s rule is timely provocative and immensely readable

Remnants of Partition Aanchal Malhotra,2021 A haunting evocation of the pain and long aftermath of Partition preserved in personal possessions carried over the border and the memories of their owners

The Great Indian Railways Arup K. Chatterjee,2019-01-25 Following an experimental railway track at Chintadripet in 1835 the battle for India s first railroad was fought bitterly between John Chapman s Great Indian Peninsular Railway and Rowland MacDonal Stephensons East India Railway Company which was merged with Dwarkanauth Tagore s Great Western of Bengal Railway Even at the height of the Mutiny of 1857 Bahadur Shah Zafar promised Indian owned railway tracks for native merchants if Badshahi rule was restored in Delhi From Jules Verne to Rudyard Kipling to Mark Twain to Rabindranath Tagore to Nirad C Chaudhuri to R K Narayan and Ruskin Bond the aura of Indian trains and railway stations have enchanted many writers and poets With iconic cinematography from The Apu Trilogy Aradhana Sonar Kella Sholay Gandhi Dil Se Parineeta Barfi Gangs of Wasseypur and numerous others Indian cinema has paved the way for mythical railroads in the national psyche The Great Indian Railways takes us on a historic adventure through many junctions of India s hidden railway legends for the first time in a book replete with anecdotes from imperial politics European and Indian accounts the battlefronts of the Indian nationalist movement Indian cinema songs advertisements and much more in an ever expanding cultural biography of the Great Indian Railways Dubbed as one of a kind this awe inspiring saga is compulsive reading In this fascinating cultural history Arup K Chatterjee charts the extraordinary journey of the Indian Railways from the laying of the very first sleeper to the first post Independence bogey It evokes our collective accumulation of those innumerable memories of platform chai and rail gaadi stories bringing alive through myriad voices and tales the biography of one of India s defining public institutions Shashi Tharoor Author M P Lok Sabha The Great Indian Railways is a fascinating and well researched cultural biography of the Indian Railways those intricate arteries of the soul of India as have been experienced written filmed and dreamed We cannot all travel by rail to know India as Gandhiji did but we can and should read this book Tabish Khair Author Professor

The World Richard Haass,2020-05-12 The New York Times bestseller A clear and concise account of the history diplomacy economics and societal forces that have molded the modern global system Foreign Affairs An invaluable primer from Richard Haass president of the Council on Foreign Relations that will help anyone expert and non expert alike navigate a time in which many of our biggest challenges come from the world beyond our borders Like it or not we live in a global era in which what happens thousands of miles away has the ability to affect our lives This time it is a Coronavirus known as Covid 19 which

originated in a Chinese city many had never heard of but has spread to the corners of the earth Next time it could well be another infectious disease from somewhere else Twenty years ago it was a group of terrorists trained in Afghanistan and armed with box cutters who commandeered four airplanes and flew them into buildings and in one case a field and claimed nearly three thousand lives Next time it could be terrorists who use a truck bomb or gain access to a weapon of mass destruction In 2016 hackers in a nondescript office building in Russia traveled virtually in cyberspace to manipulate America's elections Now they have burrowed into our political life In recent years severe hurricanes and large fires linked to climate change have ravaged parts of the earth in the future we can anticipate even more serious natural disasters In 2008 it was a global financial crisis caused by mortgage backed securities in America but one day it could well be a financial contagion originating in Europe Asia or Africa This is the new normal of the 21st century The World is designed to provide readers of any age and experience with the essential background and building blocks they need to make sense of this complicated and interconnected world It will empower them to manage the flood of daily news Readers will become more informed discerning citizens better able to arrive at sound independent judgments While it is impossible to predict what the next crisis will be or where it will originate those who read The World will have what they need to understand its basics and the principal choices for how to respond In short this book will make readers more globally literate and put them in a position to make sense of this era Global literacy knowing how the world works is a must as what goes on outside a country matters enormously to what happens inside Although the United States is bordered by two oceans those oceans are not moats And the so called Vegas rule what happens there stays there does not apply in today's world to anyone anywhere U S foreign policy is uniquely American but the world Americans seek to shape is not Globalization can be both good and bad but it is not something that individuals or countries can opt out of Even if we want to ignore the world it will not ignore us The choice we face is how to respond We are connected to this world in all sorts of ways We need to better understand it both its promise and its threats in order to make informed choices be it as students citizens voters parents employees or investors To help readers do just that The World focuses on essential history what makes each region of the world tick the many challenges globalization presents and the most influential countries events and ideas Explaining complex ideas with wisdom and clarity Richard Haass's The World is an evergreen book that will remain relevant and useful as history continues to unfold [Partition of India](#) J. B. Prashant More,2008 [The Literary Review](#) ,2007 **Partitioning for Peace** Ivan Eland,2009-04-24 Combining a history of Iraq and its dominant sects with an acute awareness of the political machinations fomenting worldwide this keen military analysis offers a practical exit strategy for U S armed forces in Iraq Since the history of violence in multi ethno sectarian states indicates that such conflicts usually resurface once an occupying force leaves a solution to end the violence and stabilize the country must be geographically reasonable for sectarian groupings Ivan Eland explains why partitioning a solution that has been successful in other chaotic political situations can be a uniquely effective political and military exit

strategy for a country like Iraq Finally Dr Eland documents fifteen lessons that can be learned from previous partitions during the 20th and 21st centuries and applies them directly to the current situation in Iraq *The Tribune* ,2008 **The Economist** ,2007 **The Book Review Digest** ,2007 Sanskriti ,2007 **Gandhi and Bin Laden** James L. Rowell,2009-08-05 No two figures could seem further removed than Mohandas K Gandhi and Osama bin Laden Gandhi advocated an inclusive religious perspective and believed that the highest ideals in religion led to the path of absolute nonviolence In contrast Bin Laden has concocted a militant and exclusive interpretation of Islam and tried to justify some of the most barbarous acts of terrorism witnessed at the turn of the century Can both men be equally religious figures As leaders of movements of political protest do they have any points of similarity Moreover how can the religious philosophy of nonviolence respond to its nemesis which takes life so easily and casually These and other important questions are explored in this work that examines the lives and ideas of Mohandas K Gandhi and Osama bin Laden as well as that of Abdul Ghaffar Khan a refreshing nonviolent representative of Islam Program of the ... Annual Meeting of the American Historical Association American Historical Association. Annual Meeting,American Historical Association,2009 Some programs include also the programs of societies meeting concurrently with the association **Jagged Trajectories** Tania Ahmad,2009 *Moderate Or Militant* Mushirul Hasan,2008-03-20 *Moderate or Militant* argues that Indian Muslims have been misunderstood both by the nationalist discourse and the West Using seminal texts on modern Islam and the writings of modern Indian Muslim thinkers Mushirul Hasan discusses the pluralism of Indian Muslims and the importance of strengthening secularism in India **Choice** ,2008 **New Statesman** ,2007 **Program of the ... Annual Meeting** American Historical Association. Meeting,2007
