The Lifespan Of A Fact

Harry Bright, Jakob Anser

The Lifespan Of A Fact:

The Lifespan of a Fact John D'agata, Jim Fingal, 2012-02-07 Now a Broadway Play An innovative essayist and his fact checker do battle about the use of truth and the definition of nonfiction How negotiable is a fact In 2003 after publishing his book of experimental essays Halls of Fame John D Agata was approached by Harper s magazine to write an essay for them one that was eventually rejected due to disagreements related to its fact checking That essay which eventually became the foundation of D Agata s critically acclaimed About a Mountain was accepted by another magazine the Believer but not before they handed it to their own fact checker Jim Fingal What resulted from that assignment and beyond the essay s eventual publication in the magazine was seven years of arguments negotiations and revisions as D Agata and Fingal struggled to navigate the boundaries of literary nonfiction This book includes an early draft of D Agata s essay along with D Agata and Fingal s extensive discussion around the text What emerges is a brilliant and eye opening meditation on the relationship between truth and accuracy and a penetrating conversation about whether it is appropriate for a writer to substitute one for the other

The Lifespan of a Fact John D'Agata, Jim Fingal, 2019-08-22 NOW A BROADWAY PLAY STARRING DANIEL RADCLIFFE Provocative maddening and compulsively readable Maggie Nelson In 2003 American essayist John D Agata wrote a piece for Harper s about Las Vegas s alarmingly high suicide rate after a sixteen year old boy had thrown himself from the top of the Stratosphere Tower The article he delivered What Happens There was rejected by the magazine for inaccuracies But it was soon picked up by another who assigned it a fact checker their fresh faced intern and recent Harvard graduate Jim Fingal What resulted from that assignment and beyond the essay s eventual publication in the magazine was seven years of arguments negotiations and revisions as D Agata and Fingal struggled to navigate the boundaries of literary nonfiction This book includes an early draft of D Agata s essay along with D Agata and Fingal s extensive discussion around the text The Lifespan of a Fact is a brilliant and eye opening meditation on the relationship between truth and accuracy and a penetrating conversation about whether it is appropriate for a writer to substitute one for the other A fascinating and dramatic power struggle over the intriguing question of what nonfiction should or can be Lydia Davis The Routledge Companion to Narrative Theory Paul Dawson, Maria Mäkelä, 2022-07-18 The Routledge Companion to Narrative Theory brings together top scholars in the field to explore the significance of narrative to pressing social cultural and theoretical issues How does narrative both inform and limit the way we think today From conspiracy theories and social media movements to racial politics and climate change future scenarios the reach is broad This volume is distinctive for addressing the complicated relations between the interdisciplinary narrative turn in the academy and the contemporary boom of instrumental storytelling in the public sphere The scholars collected here explore new theories of causality experientiality and fictionality challenge normative modes of storytelling and offer polemical accounts of narrative fiction nonfiction and video games Drawing upon the latest research in areas from cognitive sciences to complexity theory the volume provides an

accessible entry point for those new to the myriad applications of narrative theory and a point of departure for new scholarship

The Ethics of Nonfiction George H. Jensen, 2023-10-23 This book explores issues of identity ethics and epistemology that arise around the writing and reception of creative nonfiction It examines a range of different nonfiction forms including the personal essay and memoir and ethical questions that arise in relation to them such as truth claims the confessional mode counter narratives Drawing on the ideas of Bakhtin Nietzsche and Foucault examples from creative nonfiction writers such as Strayed and Knausgaard and the founding principles of the originators of the genre Seneca Augustine and Montaigne George Jensen argues that a limited conception of nonfiction leads to a limited view of its ethics Writing about the truth in an authentic way is more important than ever before and essential to this is the creation of the ethical subject

On Essays Thomas Karshan, Kathryn Murphy, 2020 Sets out in a new and authoritative way the history of the essay explains how the essay has come to mean what it does surveys the widely various incarnations of the form offers new accounts of major essayists in English and traces a wide range of significant themes

Writing for The New Yorker Green Fiona Green, 2015-01-20 Original critical essays on an iconic American periodical providing new insights into twentieth century literary culture This collection of newly commissioned critical essays reads across and between New Yorker departments from sports writing to short stories cartoons to reporters at large poetry to annals of business Attending to the relations between these kinds of writing and the magazine's visual and material constituents the collection examines the distinctive ways in which imaginative writing has inhabited the prime real estate of this enormously influential periodical In bringing together a range of sharply angled analyses of particular authors styles columns and pages this book offers multiple perspectives on American writing and periodical culture at specific moments in twentieth century history Key Features Eleven new perspectives on major American writers including Roth Cheever Plath and Updike in relation to their first publication contexts Reconsiders modern and contemporary American writing and periodical culture focusing critical attention on commercially successful smart magazines Draws on new research in The New Yorker's manuscript and digital archives A distinctive combination of close critical reading and cultural analysis

Human-Centered Computing Don Harris, Vincent Duffy, Michael Smith, Constantine Stephanidis, 2019-11-11 The 10th International Conference on Human Computer Interaction HCI International 2003 is held in Crete Greece 22-27 June 2003 jointly with the Symposium on Human Interface Japan 2003 the 5th International Conference on Engineering Psychology and Cognitive Ergonomics and the 2nd International Conference on Universal Access in Human Computer Interaction A total of 2986 individuals from industry academia research institutes and governmental agencies from 59 countries submitted their work for presentation and only those submittals that were judged to be of high scientific quality were included in the program These papers address the latest research and development efforts and highlight the human aspects of design and use of computing systems The papers accepted for presentation thoroughly cover the entire field of human-computer interaction including the cognitive social

ergonomic and health aspects of work with computers These papers also address major advances in knowledge and effective use of computers in a variety of diversified application areas including offices financial institutions manufacturing electronic publishing construction health care disabled and elderly people etc

Turning the Page Jeffrey R. Di Leo, 2014-12-17
 American Book Review is not just a book review it is also the heart and soul of writerly writing and small press publishing In 2006 the publication was relocated to Victoria Texas where cultural critic and philosopher Jeffrey R Di Leo became editor and publisher Turning the Page collects Di Leo s contributions to American Book Review from his more recent Page 2 entries on social reading and book bannings in Arizona to his early engagements with the work of Raymond Federman and Harold Jaffe The common themes are book and publishing culture and how they intersect with current problems in the humanities including the rise of neoliberalism There is no dimension of contemporary book culture that Jeffrey Di Leo doesn t examine beautifully in Turning the Page These essays are essential reading for everyone who cares about the state of literature today

Charles Johnson author Middle Passage For the past decade Jeffrey Di Leo the editor of American Book Review has been a witty genial super well informed and incisive guide to what s been happening on the literary scene as well as the public world beyond it Marjorie Perloff Sadie Dernham Patek Professor of Humanities Emerita Stanford University Literary culture is going through convulsions not seen since the emergence of the printing press which is exactly why Jeffrey Di Leo s Turning the Page is such necessary reading Steve Tomasula author TOC A New Media Novel *Database: Enterprise, Skills and Innovation* Mike Jackson, David Nelson, Sue Stirk, 2005-06-16 The British National Conference on Databases BNCOD was established in 1980 as a forum for research into the theory and practice of databases The original conference in the series took place at the University of Aberdeen To be precise this conference was in fact entitled ICOD which stood for International Conference on Databases It was the intention when the series began that an ICOD would take place every two years whilst a BNCOD would run in the years in between As the record shows ICOD was only held in 1980 and 1983 The more junior conference has managed to acquire a lifetime much longer than that of its senior relative If truth were known however BNCOD has over the years grown into ICOD and although the conference is still titled British National it is in fact an international conference that takes place on a yearly basis Proof of this can be obtained simply by looking at the table of contents of these proceedings which clearly show that the majority of papers presented at this year s conference came from contributors whose affiliations are outside the UK Despite the range of papers on offer BNCOD still retains its uniquely British flavor The Programme Committee is drawn from UK academics and the conference is always held at a British university or in earlier years a polytechnic

The Lifespan Of A Fact Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The Lifespan Of A Fact free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The Lifespan Of A Fact free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The Lifespan Of A Fact free PDF files is convenient, its important

to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading The Lifespan Of A Fact. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The Lifespan Of A Fact any PDF files. With these platforms, the world of PDF downloads is just a click away.
