Blogging in Beirut
Sarah Jurkiewicz,2018-01-15 Unlike previous media analytic research Sarah Jurkiewicz's anthropological study understands blogging as a social field and a domain of practice This approach underlines the significance of blogging in practitioners daily lives and for their self understanding In this context the notion of publicness enables a consideration of publics not as static spheres that actors merely enter but as produced and constituted by social practices The vibrant media landscape of Beirut serves as a selection of samples for an ethnographic exploration of blogging
