Gender Dynamics in Nigerian Pentecostalism** Itohan Mercy Idumwonyi, 2023-12-18 *Crashed Realities* explores the lived realities women Pentecostals encounter in male founded Pentecostal churches Idumwonyi demonstrates the gender dynamics at play in

Nigerian Pentecostalism by exploring the drama that played out in the wake of the nomination of the first woman Pentecostal archbishop in Nigeria and the subsequent attempt to erase her from a significant leadership position and the pages of history This case underscores how Pentecostalism which presents as egalitarian engages in and perpetuates gender disparity revealing the realities that are crashed every day This book further explores the profound ambiguities that result from an underlying commitment to patriarchy making the calls to inclusivity illogical In contrast she proposes the advantages of the Pentecost Experience as favorable background to gender inclusivity and in turn human flourishing *The Holy Spirit, Women, and Mission* Julie C. Ma,2026-02-19 This book examines how Pentecostal and charismatic women develop as leaders how they actively engage in ministry and mission and how the Holy Spirit enables them to carry out God s work more effectively Although the leadership and missional abilities of women are not adequately accepted and acknowledged in the churches many Pentecostal charismatic communities have recognized and embraced them And as the scope of women s ministry has broadened from local contexts to a global one it has greatly influenced both the church and its missions Despite still struggling for equal recognition of their service in the gospel nothing and no one is able to stop the essential work of Spirit led women in Christian leadership and ministry
