Emmanuelle 2 Emanuelle:

Mr. Skin's Skincyclopedia Mr. Skin, Skin, 2005 Cult hero radio personality and internet maven Mr Skin is the foremost authority on celebrity nudity At last the inimitable Mr Skin has compiled his vast knowledge into this truly entertaining reference work With skinfo on more than 2000 actresses the films in which they appeared naked and their best nude scenes this is presented in a very easy to use alphabetical format This is both a hilariously alternative take on Hollywood culture and an educational guide to movie stars and really is a one of a kind book

Perverse Titillation Danny Shipka, 2011-07-25 The exploitation film industry of Italy Spain and France during the height of its popularity from 1960 to 1980 is the focus of this entertaining history With subject matter running the gamut from Italian zombies to Spanish werewolves to French lesbian vampires the shocking and profoundly entertaining motion pictures of the Eurocult genre are discussed from the standpoint of the films and the filmmakers including such internationally celebrated auteurs as Mario Bava Jess Franco Jean Rollin and Paul Naschy The Eurocult phenomenon is also examined in relation to the influences that European culture and environment have had on the world of exploitation cinema The author's insight and expertise contribute to a greater understanding of what made these films special and why they have remained so popular to later generations

Alternative Europe Ernest Mathijs, Xavier Mendik, 2004 Whether defined by comic excesses cult horrors or surreal vampire experimentations trash and exploitation cinema represents the alternative face of European film Although extremely popular with post war audiences these historically significant traditions of Eurotrash have often been ridiculed or ignored by an established film criticism eager to define legitimate European cinema as either avant garde or socially realist

Alternative Europe Eurotrash and Exploitation Cinema Since 1945 investigates these previously under explored national traditions of film culture with essays and festival reports uncovering the social and cultural trends and tensions within a wide range of European exploitation movies The volume considers such engaging and challenging topics as Russian Belgian and Italian horror cinema Gothic musclemen movies Nazi sexploitation cycles German erotic cinema and 1970s European rogue cop thrillers

Alternative Europe also includes interviews with trash directors and icons such as Brian Yuzna Jörg Buttgereit and Giovanni Lombardo Radice

Bodies of Desire and Bodies in Distress Xavier Mendik, 2015-09-18 In recent years there has been an explosion of critical interest in the icons genres and traditions of 1970s Italian cult film Thanks to the international success of directors such as Dario Argento and Sergio Martino and the influential giallo thriller cycle in which they worked these unconventional and often controversial films are now impacting on new generations of filmmakers scholars and moviegoers alike

Bodies of Desire and Bodies in Distress The Golden Age of Italian Cult Cinema 1970-1985 considers the current interest in specific Italian directors and cult genres exploring the social political and cultural factors that spawned a decade of cinema dominated by extreme yet stylish images of sexuality and violence

Bodies of Desire and Bodies in Distress situates the explosion of 1970s Italian cult excess against the toxic backdrop of political violence and terrorist activity that produced

shocking images of carnage and crime during this period The volume also considers why the iconography of the sexually liberated female became recast as a symbol of fear and violation in a range of Italian cult film narratives In addition the book also analyses how longstanding regional distinctions between Italy s urban North and the much maligned rural South fed into sex and death cycles produced between 1970 and 1985 Bodies of Desire and Bodies in Distress profiles leading 1970s Italian directors and performers including Aristide Massaccesi Joe D Amato Laura Gemser and Dario Argento who also provides an interview discussing his work and 1970s Italian society The volume also provides case studies of the giallo cycle rape and revenge dramas the Italian rogue cop series post apocalypse films barbarian movies and sex comedy formats By considering the icons and genres from the golden age of Italian cult film alongside the crucial social and sexual tensions that influenced their creation this book will be of interest to film scholars and cult movie fans alike *Spinegrinder* Clive Davies,2015-03-06
