Honey, It's Not about Six-Pack Abs! Mayur Mathur, 2022-01-31

Do you stand in that trial room of a fashion clothing store looking at a pic of a model in a poster telling yourself Gosh I wish I had that body Or are you that person who wakes up every morning gung ho about going for your workouts and then just can't go for it Or are you that person who tells yourself I can't do this Or are you confused on how to begin Or are you someone who makes a New Year's resolution to get fit and drops out after a while Don't get bogged down This book is meant just for you because the pre-requisite of getting fit and leading a healthy lifestyle has got nothing to do with what you do but it's got everything to do with what's in your mind In this book you will go through the FOUR STAGES to a complete health

transformation and help you formulate your own fitness blueprint to easily make fitness a part of the minutiae of your everyday life The 4 stages are Stage 1 Setting your Identity Blueprint that will help you get the right mindset in place Stage 2 Lock n load your mental arsenal that will give you tools to keep you mentally fit Stage 3 Unlock Yourself here you will get to know how to take charge of your life by gaining control of your excuses habits and dreams Stage 4 Get down to brass tacks this is the real deal to get you physically fit As there is a frantic rush to get fit by sporting six pack abs this book nudges that notion aside and focuses on the long term benefits of having the right mindset and consciously working towards a healthy lifestyle

Reading Programs for Young Adults Martha Seif Simpson, 2015-11-16 School and public libraries often provide programs and activities for children in preschool through the sixth grade but there is little available to young adults For them libraries become a place for work the place to research an assignment or find a book for a report but the thought of the library as a place for enjoyment is lost So how do librarians recapture the interest of teenagers This just might be the answer Here you will find theme based units such as Cartoon Cavalcade Log On at the Library Go in Style Cruising the Mall Space Shots Teens on TV and 44 others that are designed for young adults Each includes a display idea suggestions for local sponsorship of prizes a program game to encourage participation 10 theme related activities curriculum tie in activities sample questions for use in trivia games or scavenger hunts ideas for activity sheets a bibliography of related works and a list of theme related films The units are highly flexible allowing any public or school library to adapt them to their particular needs

Cardio Sucks Michael Matthews, 2012 Forget losing weight you want to lose fat and if you want to know how to do it as quickly as possible without losing muscle and without doing hours and hours of grueling cardio every week then you want to read this book Here's the deal If your goal is to get or stay lean and maintain your cardiovascular health you don't have to pound the pavement or grind out long boring cardio sessions Ever That's right No tedious jogging No droning away on one of the hamster wheels in the gym And no sacrificing hours and hours every week just to get a six pack You also don't have to subject yourself to restrictive diets that feel more like punishment than self improvement What if I told you that you

could dramatically transform your body eating foods you actually like every day 7 days per week What if all you had to do to lose fat and not muscle was follow a handful of flexible dietary guidelines not starve and deprive yourself And what if I promised you could forever break free of the anxieties most people associate with dieting and make it something you can enjoy as a lifestyle instead Well by the end of this book you ll know exactly what you need to do to get a lot more out of a lot less exercise and a lot more delicious food than you ever thought possible Here s a sneak peek of some of the things this book will teach you The biggest diet lie you ve been told and probably believe that makes losing fat way harder than it has to be How the four tiers of dieting ultimately determine your results energy balance macronutrient balance food choices and nutrient timing Why clean eating is overrated and guarantees nothing in the way of losing fat and building muscle and what you should do instead How to create flexible dieting plans that allow you to get the body you want eating the foods you love How much cardio you should do to lose weight and how much is too much and why 5 simple eating habits that keep you lean healthy and happy without having to obsess over every calorie you eat The ultimate guide to high intensity interval cardio the absolute best type of cardio for burning fat as quickly as possible How to use fasted cardio to lose fat and stubborn fat in particular even faster 7 powerful cardio workouts that will help you burn fat and not muscle in less than 30 minutes per day and you don t even have to do them every day And a whole lot more Imagine just 12 weeks from now being constantly complimented on how you look and asked what the heck you re doing to make such startling progress Imagine enjoying the added benefits of high energy levels no aches and pains better spirits and knowing that you re getting healthier every day The bottom line is you CAN achieve that Hollywood body without having your life revolve around it **SPECIAL BONUSES FOR READERS** With this book you ll also get two free eBooks one for men and one for women that teach you the fundamentals of strength training and muscle building as well as give you tried and true weightlifting programs that will change your body in the first 8 weeks You ll also get 10 weight loss meal plans that show you how to put flexible dieting principles into practice and make them work for you Scroll up click the Buy button now and begin your journey to a leaner sexier healthier you
