The Kite Runner: Khaled Hosseini (English Edition) Editorial. Editorial Atlantic, Khaled Hosseini, 2015-06-10. *The Kite Runner* is the story of Amir, a Sunni Muslim who struggles to find his place in the world because of the aftereffects and fallout from a series of traumatic childhood events. An adult Amir opens the novel in the present-day United States with a vague reference to one of these events, and then the novel flashes back to Amir's childhood in Afghanistan. In addition to typical childhood experiences, Amir struggles with forging a closer relationship with his father, Baba, with determining the exact nature of his relationship with Hassan, his Shi'a Muslim servant, and eventually with finding a way to atone for pre-adolescent decisions that have lasting repercussions. Along the way, readers are able to experience growing up in Afghanistan in a single-parent home, a situation that bears remarkable similarities to many contemporary households. One of the biggest struggles for Amir is learning to navigate the complex socioeconomic culture he faces growing up in Afghanistan as a member of the privileged class, yet not feeling like a privileged member of his own family. Hassan and his father, Ali, are servants, yet at times Amir's relationship with them is more like that of family members. And Amir's father, Baba, who does not consistently adhere to the tenets of his culture, confuses rather than clarifies things for young Amir. Many of the ruling class elite in Afghanistan

view the world as black and white yet Amir identifies many shades of gray In addition to the issues affecting his personal life Amir must also contend with the instability of the Afghan political system in the 1970s During a crucial episode which takes place during an important kite flying tournament Amir decides not to act he decides not to confront bullies and aggressors when he has the chance and this conscious choice of inaction sets off a chain reaction that leads to guilt lies and betrayals Eventually because of the changing political climate Amir and his father are forced to flee Afghanistan Amir views coming to America as an opportunity to leave his past behind Although Amir and Baba toil to create a new life for themselves in the United States the past is unable to stay buried When it rears its ugly head Amir is forced to return to his homeland to face the demons and decisions of his youth with only a slim hope to make amends Ultimately *The Kite Runner* is a novel about relationships specifically the relationships between Amir and Hassan Baba Rahim Khan Soraya and Sohrab and how the complex relationships in our lives overlap and connect to make us the people we are *The Kite Runner (Play Script)* Matthew Spangler, 2018-02-06 Coming to Broadway July 2022 The script for the stage production of Khaled Hosseini's first and internationally bestselling novel *The Kite Runner* as adapted by playwright Matthew Spangler The unforgettable heartbreaking story of the unlikely friendship between a wealthy boy and the son of his father's servant *The Kite Runner* is a beautifully crafted novel set in a country that is in the process of being destroyed Now adapted for the stage the story is about the power of reading the price of betrayal and the possibility of redemption and is an exploration of the influence of fathers over sons their love their sacrifices their lies A sweeping saga of family love and friendship told against the devastating backdrop of the history of Afghanistan over the last thirty years *The Kite Runner* is an unusual and powerful story that has become a beloved one of a kind classic This adaptation was first performed at Wyndham's Theatre London in December 2016 **A Study Guide (New Edition) for Khaled Hosseini's "The Kite Runner"** Gale, Cengage, A Study Guide New Edition for Khaled Hosseini's *The Kite Runner* excerpted from Gale's acclaimed *Novels for Students* This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust *Novels for Students* for all of your research needs
