

William Blake's life

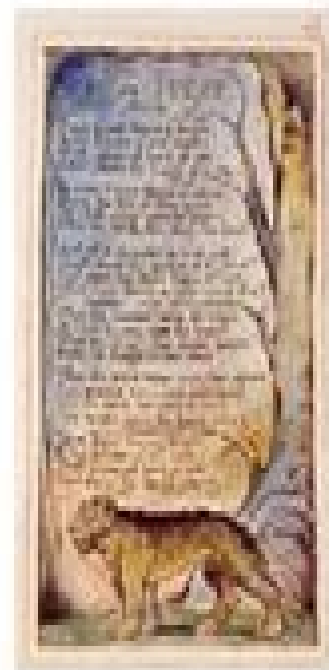

Poet, artist and mystic William Blake was one of England's most original thinkers. William Blake was a Romantic poet. This means that he wrote during the Romantic era in the late 18th and early 19th century and on **topics like nature, creativity and individuality, while hinting at the hardships of reality.**

Blake was born in Soho, in 1757, the son of a *hosier*. He would spend his life in London. As a child, Blake claimed to have seen God at his window, and angels adorning the treetops of Peckham Rye. He would have "visionary imaginations" throughout his life, and many regarded him as a madman. At the age of 10, **Blake was apprenticed to an engraver**, and later, studied briefly at the Royal Academy.

Blake died in poverty in 1827 and is buried alongside Daniel Defoe and John Bunyan in London's Bunhill Fields. Blake's *The Tyger* is probably the most anthologized poem in English literature.
