**Twilight of the Social** Henry A. Giroux,2015-12-03 In *The Twilight of the Social* Henry A Giroux looks at the decline of social spaces which enable grievances to be dealt with and considers new ways in which citizens can create social spaces today After decades of neoliberalism today s young people lack a voice and are saddled with economic political and social conditions that have rendered them marginalised and ultimately disposable Giroux covers a broad range of topics from youth and the promise of new media technologies the economic Darwinism of globalisation and the need for a renewed democratic culture *The Twilight of the Social* is a compelling account of the erosion in recent decades of the very idea of the social in America and other societies

*Vertical File Index* ,2003 *Burma and the Threat of Invasion* Andrew Selth,2008

**Nongovernmental Politics** Michel Feher,2007-04-25 The past present and future prospects of nongovernmental politics political activism that withdraws from traditional government but not from the politics associated with governing To be involved in politics without aspiring to govern without seeking to be governed by the best leaders without desiring to abolish all forms of government such is the condition common to practitioners of nongovernmental politics Whether these activists concern themselves with providing humanitarian aid monitoring human rights violations protecting the environment educating consumers or improving the safety of workers the legitimacy and efficacy of their initiatives demand that they forsake conventional political ambitions Yet even as they challenge specific governmental

practices nongovernmental activists are still operating within the realm of politics Composed of scholarly essays on the challenges and predicaments facing nongovernmental activism profiles of unique and diverse NGOs including Memorial Global Exchange World Vision and Third World Network and interviews with major nongovernmental actors Gareth Evans of International Crisis Group Anthony Romero of the ACLU Rony Brauman of M decins sans Fronti res and Peter Lurie of Public Citizen among others this book offers a groundbreaking survey of the rapidly expanding domain of nongovernmental activism It examines nongovernmental activists motivations from belief in the universality of human rights to concerns over the fairness of corporate stakeholders claims and explores the multiple ways in which nongovernmental agencies operate It analyzes the strategic options available and focuses on some of the most remarkable sites of NGO action including borders disaster zones and the Internet Finally the book analyzes the conflicting agendas pursued by nongovernmental advocates protecting civil society from the intrusions of governments that lack accountability or wresting the world from neo liberal hegemony on the one hand and hastening the return of the Savior or restoring the social order prescribed by the Prophet on the other

*Arms of Little Value* George L. Lamborn,2012 In a dangerous era a former soldier and CIA officer proposes smarter ways to keep the US safe from the effects of insurgencies around the world What we ve been seeing in Tunisia Egypt Libya Bahrain Yemen and elsewhere in recent years is merely the beginning We are entering an extremely dangerous period in our history The author with over a quarter century of intelligence experience has been a student an observer and sometimes a participant in various insurgencies since his initiation in Vietnam in 1969 This book offers an understanding of the true nature of insurgency and a glimpse at the reasons why we have not always dealt with it effectively Drawing from his service in various Third World nations as well as several successor republics of the former Soviet Union G L Lamborn provides a crucial understanding of what ignites and sustains these movements and what can prevent them from spreading and spiraling out of control Through case studies and analysis Lamborn a former Army and Central Intelligence Agency officer seeks to explicate the importance of political action to insurgencies and explain how military power is successful only to the extent it delegitimizes an insurgency If readers accept the premise of honest critical evaluation of military power s limits there is much to be gained from *Arms of Little Value* Military Review
