Eichinger, 2013-03 *The Manager's Guide to Employee Development* David Hosmer, 2014-07-18 As managers we are
expected to hold career and professional development discussions with our employees although many of us feel ill equipped
for these conversations Are you unsure how or where to begin with your employees development Perhaps you want to brush
up on how to create more meaningful development plans This TD at Work is a primer intended for managers human
resources professionals and others It is a practical go to guide that will explain why career development is important to the
organization employee and manager who is responsible for specific aspects of the employee development process how to
facilitate the employee development process the characteristics of a strong individual development process how to lead
successful development discussions How to Build a Nontraditional Career Path Ron Elsdon, 2014-08-26 An invaluable
resource for general readers at any career stage this book explains why when and how to engage in a fulfilling nontraditional
career path that is both inspiring and practical The paradigm of the successful career has shifted No longer is working for a
single company or even within a single career field throughout one's lifetime the norm Today many people are considering
nontraditional paths to achieving success How to Build a Nontraditional Career Path Embracing Economic Disruption
explains what such a career path looks like and details the benefits and challenges of pursuing this option Author Ron Elsdon
identifies the types of individuals who will likely find nontraditional careers attractive and examines critical strategic issues
thereby enabling the reader to assess whether and how such a path might fit their personality life goals and career objectives
The information presented will benefit those considering something different at their entry to the workforce individuals in
middle or later career stages re assessing their direction people re engaging with a career at an encore stage or those whose
previous career paths have been disrupted by an external event such as job loss **Building High-Performance Local
Governments** John Pickering, Gerald Brokaw, Philip Harnden, Anton Gardner, 2014-09-16 Don't permit your organization to be

lulled into complacency after recovering from a tough recession Explore what s necessary to improve the performance of your organization including the development of leaders at all levels who will use their full capabilities to boost collective results The High Performance Organization Model identifies the steps needed to diagnose what will be required to achieve the strategic outcomes you define as success It shows which levers will move the organization in the direction you decide is critical This book contains more than just theory here you ll find case studies of local governments demonstrating how Commonwealth Centers for High Performance Organizations CCHPO model has been applied in the past to improve performance You will learn how employees emerged as leaders to identify and tackle problems developed the tools needed and organized their thoughts to work through solutions which could be applied effectively without the traditional bureaucratic hassle These examples show how a supportive values based work culture can be cultivated to expand thinking power by increasing discretionary effort from all levels of the organization Engaged employees can be leaders who refocus your services improve your processes save money and solve problems Your organization can benefit from the full range of talents skills and abilities that often lie untapped but become accessible through the principles of the High Performance Organization model This model will be an indispensable tool for any person looking to make significant improvements throughout their organization The detailed case studies and easy to follow model created by the Commonwealth Center for High Performance Organizations make for a pleasantly informative guide that will give a special advantage to readers who implement their standards
