Extension Communication and Management G. L. Ray, 2011 **Transfer of Agricultural Technology** R.R. Chole, P.R. Deshmukh, P.S. Kapse, 2010-04-01 The course Extension Methodologies for Transfer of Agricultural Technology has been introduced recently at undergraduate level in the faculty of agriculture in all agricultural universities in India We are very happy to let our readers know that the book has been planned to cover the contents of this course in the new curriculum so that this can serve as a text book for the UG agricultural students This could also be used as reference book by students at post graduate level in agricultural universities as well as the students in traditional universities under going courses on extension education Extension Communication And Management Ray G L, 1996 **Communication Skills and Personality Development** J.R. Kadam, V.G. Patil, S.A. Dhenge, A.M. Murai, 2018-03-01 Personality development is an indispensable tool that helps an individual to flourish personal and professional skills An extraordinary personality is sophisticated well dressed and groomed exuding confidence in speech and interpersonal skills The factors such as biological characteristics family and social groups cultural and social factors contribute towards formation of an individual personality Good communication is vital to any institution s successful operation and equally imperative for personality development The book Communication Skills and Personality Development is a thorough attempt to present the aforesaid concepts in a simple understandable and student friendly language to gaze the difficult situations and handle them appropriately The course on Communication Skills and Personality Development has been recommended by V Deans Committee for B Sc Agri B Sc Horti and B Tech faculties throughout the agricultural universities in India this book has been administered to cover the entire syllabus of this course The book is highly recommended as a text book for the under graduate agricultural students Farm women and their role in rice based farming system Sujit Kumar Nath, Sarthak Chowdhury, 2020-07-30 The book deals with the farm women who contributes immensely in the rice based farming system for the livelihood of their family **Extension Communication Management** G. L. Ray, 2007-01-01 **Research Methodology: A Guide for Researchers In Agricultural Science, Social Science and Other Related Fields** Pradip Kumar Sahu, 2013-04-04 This book is the outcome of more than 20 years of experience of the author in teaching and research field The wider scope and coverage of the book will help not only the students researchers professionals in the field of agriculture and allied disciplines but also the researchers and practitioners in other fields Written in simple and lucid language the book would appeal to all those who are meant to be benefitted out of it All efforts have been made to present RESEARCH its meaning intention and usefulness The book reflects current methodological techniques used in interdisciplinary research as illustrated with many relevant worked out examples Designing of research programme selection of variables collection of data and their analysis to interpret the data are discussed extensively Statistical tools are complemented with real life examples making the otherwise complicated subject like statistics seem simpler Attempts have been made to demonstrate how a user can solve the problems using simple

computer oriented programme Emphasis is placed not only on solving the problems in various fields but also on drawing inferences from the problems The importance of instruments and computers in research processes and statistical analyses along with their misuse incorrect use is also discussed to make the user aware about the correct use of specific technique In all the chapters theories are combined with examples and steps are enumerated to follow the correct use of the available packages like MSEXCELL SPSS SPAR1 SAS etc Utmost care has been taken to present varied range of research problems along with their solutions in agriculture and allied fields which would be of immense use to readers

Entrepreneurship Development And Communication Skills R.R. Chole,P.S. Kapse,P.R. Deshmukh,2012-06-01 The course entitled Entrepreneurship Development and Communication Skills has been introduced in the course curriculum of agricultural universities in India on the recommendation of Fourth Deans Committee The book contains important aspects of Entrepreneurship Development and required communication skills leading to building the required capability of entrepreneurs in the learner This book is planned to serve as a textbook at undergraduate level for students of agriculture and allied subjects such as horticulture home science animal sciences etc This could also be used as reference book by students at postgraduate level in agricultural universities in particular and non agricultural universities in general Further it may act as a guide to functional entrepreneurs to inculcate in them the good qualities required for successful entrepreneurship

Turn on and Tune in Home Science Questions Khushboo Shimran, Ravi Kumar, Sabita Mishra,2017-05-10 Home Science is inter related and inter oven with science and arts It performs like the both sides of a coin It is the home based science which helps a person for better management of family nutrition wealth children animal resources fuel fodder water etc Home Science has been the national and international stream for development and livelihood But there are some important issues to cater the needs of the students Hence the detailed information will give the opportunity to reach back and discover scores of half forgotten literatures that still inform the consciousness of the courses for S A U semester exam I C A R J R F S R F PhD and A R S UGC NET and other competitive examinations Therefore authors have tried to touch all these important points from research extension and training through development of objective questions with answers covering all disciplines of Home Science We hope the book will be of great help to those who are concerned with competitive examinations and empowerment of women

Education on Digital Cultural and Social Media Dr. S. Saileela and Dr. S. Kalaivani,2019-11-27 In the globalization era social media become more popular in everyone s daily life with its user friendly and effective functions Social media support the people across the world in communicating meeting new people making socialization sharing knowledge learning different experiences and interacting with each other instead of distance and separation between persons Moreover social media can encourage the increasing of intercultural adaptation level of people who are facing different cultural experiences in new communities The study shows that people use social media to become more adaptable with the new cultures of the host countries and to preserve their connections with home

countries *Communicator* ,1996 *Extension Communication and Management* G. L. Roy,1991 *Community-Based Fisheries Management* Devashish Kar,2020-10-23 Community Based Fisheries Management A Global Perspective unravels the different aspects of CBFM from different continents and countries At a time when the population is significantly increasing with resources decreasing this resource is directly relevant to helping communities understand and improve fishery production management in a sustainably way Sections explore various scientific literature on the impact of community based fishing participatory management of water bodies methodologies for studies on community based fisheries management and interviews of workers working on community based fisheries This information will be most useful to fish farmers aquaculturists fish and fishery scientists research scholars and anyone else interested in this field Based on 30 years of scientific research this resource emphasizes the need for the management of resources through the involvement of the local community while also providing a framework for participatory collaboration Provides methods of data collection and statistical tools for data analysis Presents the basic procedures necessary to conduct a CBFM study Includes information on the impacts of climate change and economics **Development Communication for Agriculture** Ranajit Kumar Samanta,1990 *The Indian Journal of Agricultural Economics* ,1946 Vols include Proceedings of the conference of the Indian Society of Agricultural Economics **Man in India** Sarat Chandra Roy (Rai Bahadur),1997 *Vidura* ,1998 **Sustainable and Effective Management Systems for Community Forestry** Henry Wood,Willem H.H. Mellink,1992 **Indian Cooperative Review** ,2006 **Indian Agriculturist** ,1985 Vol 13 hardbound has title Maximization of agricultural production and consists of the proceedings of the 1st symposium of the Agricultural Society of India held in Banaras Sept 1968
