

**Medical ideas:**  
**Hippocrates Theory of Four Humours** (Blood, black bile, yellow bile and phlegm)  
**Galen- Theory of Opposites** (developed from 4 Humours)  
 Galen wrote 300 books about medicine- kept by Church.  
 Galen dissected animals to learn about anatomy (the body)- cut pig's spinal cord to show nerves were controlled by brain- but made some errors- e.g. he thought the jaw was made of 2 bones, like a dog.  
**Other ideas:** Miasma- bad air  
 Supernatural (from gods)

**Factors:** War • Empire • Government

**Example of change:** Roman York  
 baths, toilets flushed by sewers, heated stone buildings. In **Seven York (400-800)** these buildings stayed, but aqueducts stopped working. In **Viking York (800-1066)** it was a tightly packed town with animals' rearing freely, waste on streets and water collected from rivers and pits- which were often next to cesspits

**Black Death 1347-1349**  
 Killed one-third of population  
 2 types of plague- **Bubonic** (buboes and black spots) and **pneumonic** (least common- spread by coughing)  
**"Causes"** Fleas moving, poisonous fumes released by earthquakes, miasma, 4 humours, God's punishment, poison by **Jews**  
**"Cures"**: Fasting, praying, smelling herbs, whipping self to show God sorrow, **Guy de Chauliac** cut open buboes-drained pus- not letting people enter/leave towns

**Medical ideas:** Supernatural-Religious • supernatural • astrology  
 Natural- Four Humours • miasma • urine.

**Medical treatment:**  
**Religious-prayer**- praying to specific saints for specific illnesses- e.g. Praying to St. Anthony if it was a skin problem.  
 The King was believed to have religious powers. **Scrofula**, a form of tuberculosis, was believed to be cured by the king laying his hand on those suffering with the disease.  
**Herbal remedies**- honey was a common ingredient- good for sore throats (we now know it has antibiotic qualities), and **plasterain** was an ingredient in 48 remedies in **Anglo-Saxon Leechbooks** (records of herbal remedies)- used for wounds  
**Roman- Bloodletting-purging** continued- leeches used for bloodletting

**Medical training:**  
 Church set up universities to train doctors- learn by reading books- do not encourage research as Galen seem to be right- limits progress  
**Monasteries** had books by Greek/Roman writers- Hippocrates/Galen  
 12th century medical training based on a set of texts the **Art of Medicine (Art of Medicine)**

**Factors:**  
 Catholic Church very powerful in Western Europe.  
 Church preserved ideas of Galen, Four Humours continues through Middle Ages as it is approved by the Church.  
 Dissection controlled by Church- only 1 a year by a teaching assistant while physician read Galen aloud- so little progress in anatomy

**Public Health:**  
 Clean water- **Aqueducts** bring water from reservoirs, lead pipes and cisterns and public fountains. **Public baths**- e.g. still exist in Bath (with **sauna**- people would exercise before, wealthy would have massages).  
**latrines** -e.g. Latrines along Hadrian's wall and sewage systems empty into rivers. Organised by strong government funded by taxes with admission being cheap and affordable for most.

**Medical treatment:**  
 There were few doctors in Roman Britain- most people were treated at home using herbal remedies- e.g. **saffron ointment** for sore eyes. Many remedies recorded by Roman writer **Dioscorides**. Also used medical ideas of **Celts** in Britain- religious group **Druids** made great use of herbs. **Bloodletting** and **purging**- to balance humours

**Hospitals:**  
 Roman forts had hospitals for Roman **troops**- small wards- 4 beds each with own kitchen, baths, dispensary to make remedies and well equipped. They were staffed by a **surgeon** and his assistants- but few were for the public- by 200AD there were some small hospitals but more like care homes for elderly- so little impact on public health.

**Astrology:**  
**Zodiac** charts were used to show which parts of the body were affected by the stars

**Urine chart-** doctors used to diagnose illness based on colour etc- shown around outside- inside groups the colours into what they show about digestion. Wealthy families sent regular samples to doctors to check for illness.

**Hospitals:** First hospital set- **Hôtel Dieu** in Paris in 7th Century  
 Church set up hospitals- many were founded through charitable donations- e.g. **St Bartholomew's** in London 1123- which had no doctor.  
 Over 1000 set up in England and Wales. They were usually small but were some large e.g. **St Leonard's** in York which could house up to 200 patients. Hospitals run by monks/nuns- cover prayer, food, rest. Beds positioned to face an altar.  
**Alms houses**, set up in 1300s for 'deserving poor and old' - strict rules for behaviour and prayer • **Lepros houses/Lazars**, lepers were kept separate to stop infection and carried bells to warn others

**Public Health:** Generally poor, but wealthy and monasteries had good health- bathing and using a privy (toilet) - E.g. 13th Century- lead pipes led (gold for by city authorities and individuals) to bring water from River Tyburn to London- but there were leaks and water was often contaminated. People drink Ale instead of water. **Public toilets** in London, Leicester, Worcester and Hull- but people went in streets • 'strewed'- big wooden tubs to bathe in. **Animals** slaughtered and waste in streets. Laws passed but limited effect- system was undeveloped. E.g. 1281- **Government** try to ban pigs on streets. 1347- **Sanitary Act** to keep streets cleaner but not widely supported

### **Gcse History Medicine Through Time Revision Notes Introduction**

In today's digital age, the availability of Gcse History Medicine Through Time Revision Notes books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Gcse History Medicine Through Time Revision Notes books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Gcse History Medicine Through Time Revision Notes books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Gcse History Medicine Through Time Revision Notes versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Gcse History Medicine Through Time Revision Notes books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Gcse History Medicine Through Time Revision Notes books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over

60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Gcse History Medicine Through Time Revision Notes books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Gcse History Medicine Through Time Revision Notes books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Gcse History Medicine Through Time Revision Notes books and manuals for download and embark on your journey of knowledge?

### **FAQs About Gcse History Medicine Through Time Revision Notes Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Gcse History Medicine Through

Time Revision Notes is one of the best book in our library for free trial. We provide copy of Gcse History Medicine Through Time Revision Notes in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Gcse History Medicine Through Time Revision Notes. Where to download Gcse History Medicine Through Time Revision Notes online for free? Are you looking for Gcse History Medicine Through Time Revision Notes PDF? This is definitely going to save you time and cash in something you should think about.
