Management Cases Edited by Rommel Sergio, 2022-03-19 Any organization worth its salt would have a thriving story to tell. The COVID-19 pandemic has brought incredibly disruptive challenges to organizations worldwide. Let's be labeled as wanting because of the magnitude of the problems that beset business and educational organizations; we must take it upon ourselves to discover and present to the world the novel management practices that arose out of the problems that these organizations have experienced. This book provides management cases that deal with the organization's implicit challenges and at the same time the best practices that have positively affected the growth of the business or organizational enterprise. Educators and trainers of today will benefit from this book in their teaching of management cases. The book integrates global issues with a local flair to provide practical experiences in various business and educational settings during the pandemic. The cases include scope within change management, organizational development, human resource management, organizational behavior, corporate social responsibility, innovation, sustainability, educational management, supply chain management, business ethics, and strategic management.

Cases on Innovation and Sustainability in Tourism Dias, Alvaro Lopes, 2024-05-30 The tourism industry faces a critical challenge: balancing its economic benefits with the growing environmental and social impacts it generates. This delicate equilibrium calls for innovative solutions that drive sustainability while maintaining financial viability. *Cases on Innovation and Sustainability in Tourism* presents a compelling response to this challenge, offering insightful case studies showcasing successful innovations in sustainable tourism practices. By highlighting these innovative solutions, the book provides a roadmap for industry stakeholders to adopt sustainable practices without compromising profitability. Through a diverse range of cases, this book demonstrates how emerging technologies, innovative business models, and destination management strategies can contribute to a more sustainable tourism industry. Academics, practitioners, and policymakers will find valuable insights and inspiration within these pages, encouraging them to implement similar initiatives in their organizations and regions.
