Odia Story:

Kalahandi - The Untold Story Dr Tapan Kumar Pradhan, 2020-08-01 Twenty three delightful real life stories and fifteen heart touching poems describe in graphic details the economic and sexual exploitation of poor tribal people of Kalahandi by scheming moneylenders businessmen local contractors politicians and indifferent bureaucrats The stories have been originally written in English while the poems have been translated from the original Odia For his poem collection on Kalahandi the author had won Sahitya Akademi s Golden Jubilee prize for poetry in 2007 Once known as the rice bowl of Odisha Kalahandi became infamous for large scale starvation deaths in the 1980s The agrarian economy of Kalahandi was devastated following a 20 year long famine starting in 1965 Poor people in interior pockets died in hordes although Kalahandi district as a whole remained rice surplus even during the famine decades Therefore the author contends that although the famine was a natural calamity the starvation deaths were an avoidable man made disaster The stories and poems included in this book are written in a very simple language in the form of funny real life anecdotes But underneath their humorous exterior these highly symbolic stories offer in depth diagnosis as well as practical solutions to various grassroots level socio economic problems in a penetrating manner Modernity, Print and Sahitya Sumanyu

Satpathy, 2023-09-28 The advent of print heralded a significant chapter in the history of colonial modernity in South Asia that led to the emergence of new literary cultures in the region This book documents the story of Odia literature in the context of similar but conflicting linguistic territorial cultures of Eastern India Through an in depth study of a large corpus of archival material the volume traces the development of new literary practices and cultures facilitated mainly by the formation of new public and literary spheres with the rapid spread of European education While the phenomenon was not unique to Odia this study identifies several local factors that were distinctive about its literary sphere and traces how under political compulsions an English educated intellectual class in Odisha used agents of modernity such as print education the new sciences travel and communication to forge a new aesthetic without completely breaking with the past They also tried to define articulate and press for what they thought were their unique linguistic territorial identities as well as nationalist aspirations This book investigates the shifting and mutating dispositions of the newly emerged Odia print culture while addressing major questions such as those around colonial modernity linguistic identity book history canon formation and new aesthetic forms Thus the book is an important addition to the growing body of scholarship on literary cultures in India It will be of interest to students and researchers of modernity studies post colonialism print and book history cultural studies linguistic and critical theory and languages of Asia *Contemporary Indian English Literature* Cecile Sandten, Indrani Karmakar, Oliver von Knebel Doeberitz, 2024-02-12 Contemporary Indian English Literature focuses on the recent history of Indian literature in English since the publication of Salman Rushdie s novel *Midnight s Children* 1981 a watershed moment for Indian writing in English in the global literary landscape The chapters in this volume consider a wide range of poets novelists short fiction writers and

dramatists who have notably contributed to the proliferation of Indian literature in English from the late 20th century to the present. The volume provides an introduction to current developments in Indian English literature and explains general ideas as well as the specific features and styles of selected writers from this wide spectrum. It addresses students working in this field at university level and includes thorough reading lists and study questions to encourage students to read, reflect on, and write about Indian English literature critically.

When Tradition Meets Celebration My City Links, 2025-06-02 Raja A rich amalgamation of tradition, celebration, and family connect. Festivals and traditions have a way of rekindling memories tucked away between the folds of life experiences accumulated over the years. Nothing illustrates this better than Raja, the annual agrarian festival that is celebrated with great enthusiasm across Odisha. Our Cover Story looks at the family bonding and emotions that the festival has traditionally been associated with. We also reach out to Odias in other parts of the country and the world to get a sense of what Raja means to them. In CityZen we zero in on a startup that is using technology, particularly AI, to ensure that quality healthcare is available in the rural areas. Founder Priyadarshi Mohapatra opens up about his organisation's guiding principles and operational model, in addition to plans of expansion into more underserved regions. As the world prepares to mark the Pride Month in June, City Lights brings you conversations with persons who identify as being part of the LGBTQIA community, capturing myriad hues of struggles, hopes, and aspirations. Operation Sindoor, India's fierce response to the dastardly Pahalgam terror attack by Pakistan-backed terrorists, was marked by the use of armed drones for precision attacks. Drones produced by a Bhubaneswar-based company played a key role when it came to terrain mapping and target identification. Founder Boddhisatwa Sanghapriya tells us more about it in City Tech. A fast-paced life, particularly when it comes to working professionals in urban areas, has led to a proliferation of quick delivery services for food and groceries, as well as items of daily use. Scratch beneath the surface, however, and one is exposed to the dark and troubled underbelly of these operations. Read more about it in City Beat. The run-up to Raja invariably sees excitement build up as the Odia film industry lines up new releases for an eager audience. ScreenShots brings you the lowdown on what to expect during the festive season. CityFlix reviews *Superboys of Malegaon*, a movie that is as much about celebrating films as it is about saluting the indomitable spirit of those involved in making them. It is, in fact, an inspiring if somewhat poignant take on life itself. As our reviewer puts it, "It's about the courage to dream, even if the dream is stitched together with tape wire and undying hope." Elsewhere in the edition, City Literature explores the work of Japanese playwright Toshikazu Kawaguchi, while City Tales continues with the series on temple tanks in Bhubaneswar.
