
Oedipus the King

What is learned of Oedipus' self image in his opening speech? - answer He appears to care for his city's people and is selfless; a very personalist leader.

How does Oedipus compare his sorrow to that of his people? - answer compares as his own sorrows, that their troubles trouble him. So empathetic that he has already sensed the peoples restlessness and sent Creon to the Oracle at Delphi.

As the play opens, what problems plaguing the city of Thebes are described by the priest? - answer The crops are failing, livestock dying, infertile women, and sickness.

What is the Sphinx? What is her riddle? What happened to the Sphinx after Oedipus answered her riddle? - answer Sphinx was a mythical creature with the body of a lion and human head/face; sometimes with the wings of a great bird. Her riddle basically was what walks on 4 legs in the morning, 2 in day, and 3 at night; it was a human because its a baby, adult, then old person with a cane. After Oedipus answered her riddle, she throws herself off the cliff(citizens paid her taxes as livelihood and only ones who answered her riddle entered;no one entered. Life is kind of over).

Where has Creon been sent? - answer Oracle of Dephi

What news does Creon bring? What possible reasons are there for his suggesting that he reveal his news in private? - answer The news is that their land of Thebes is tainted and houses a guilty person and cannot be healed unless rid of this person. He might want to reveal in private because Creon doesn't want to stir civil unrest and cause others to suspect each other, or maybe he has an inkling of who it could be.

What are the instructions of the oracle for ridding the city of its woes? - answer To kill the murderer of the king and who shoulders the shame.

what does it tell us about oedipus that he seems to be ignorant with regard to the details of Laius's death? - answer that he is a man of action and be quick, but also caring and haughty.

why has the death of king Laius not been thoroughly investigated? - answer The biggest problem was the Sphinx and the people of Thebes had more concerning problems than a missing king; also only one witness to the crime.
