One Small Step Can Change Your Life Robert Maurer, 2004-01-01 A guide to incorporating the ancient Japanese practice of Kaizen into everyday life demonstrates how small changes can have great consequences and how gradual gentle steps can eventually lead to worthwhile goals

The Spirit of Kaizen: Creating Lasting Excellence One Small Step at a Time Robert Maurer, 2012-11-02 Discover the power of KAIZEN to make lasting and powerful change in your organization Maurer uses his knowledge of the brain and human psychology to show what I have promoted for the past three decades that continuous improvement is built on the foundation of people courageously using their creativity Kaizen is much more than a world class management practice it is a technique to remove fear from our mind s mind enabling us to take small steps to better things The process of change starts with awareness and desire in our minds and then leads to action and change in the physical world Readers of this book will surely find new ideas and encouragement to make improvements in personal health performance at work and their own well being Masaaki Imai Chariman Kaizen Institute KAIZEN The Small Step Step Solution for You and Your Company Today s businesses love the idea of revolutionary immediate change But major disruptive efforts often fail because radical change sets off alarms in our brains and shuts down our power to think clearly and creatively There is however a more effective path to change Change that is lasting and powerful Change that begins with one small step It s The Spirit of Kaizen a proven system for implementing small incremental steps that can have a big impact in reaching your goals This step by step guide from renowned psychologist and consultant Dr Robert Maurer shows you how to Lower costs by offering little rewards Raise quality by reducing mistakes Manage difficult people one step at a time Boost morale and productivity in five minutes a day Implement big ideas through small but steady actions Sell more in less time Filled with practical tips and ready to use tools for managers innovators and entrepreneurs The Spirit of Kaizen is the essential handbook for a changing world You ll learn how to think outside the suggestion box remove mental blindfolds manage stress with one minute exercises and handle rising health care costs You ll discover the small step secrets for dealing with all kinds of people from tough bosses and listless workers to stubborn clients and fussy customers These simple but powerful techniques can be applied to almost any workplace situation especially when you re trying to navigate the stormy waters of radical change high pressure deadlines and cutthroat competition These are the same methods of small continual improvement that have been tested by the largest companies such as Boeing Toyota and the U S Navy methods that will work for you too No matter how big the obstacle or how big the dream The Spirit of Kaizen has a small step solution to help you succeed
