**Photography and Ontology** Donna West Brett, Natalya Lusty, 2018-09-03 This edited collection explores the complex ways in which photography is used and interpreted as a record of evidence as a form of communication as a means of social and political provocation as a mode of surveillance as a narrative of the self and as an art form What makes photographic images unsettling and how do the re uses and interpretations of photographic images unsettle the self evident reality of the visual field Taking up these themes this book examines the role of photography as a revelatory medium underscored by its complex association with history memory experience and identity The Fading Flower Nemen M. Kpahn, 2014-10-28 Liberian President Roberts is seen as too non aligned and he appears to be drawing his nation away from its traditional United States sphere of influence a dangerous strategy in the 1970s during the Cold War Maxwell Forkpa and Samuel Dahn two young and dashing military men are influenced by the Americans to overthrow the civilian government Capitalizing on historical divisions between the Settlers and tribal Liberians the successful coup is initially welcomed by the vast majority of Liberians especially when the coup makers pledge to return the country to civilian rule Soon the friends who staged the coup are torn by ambitions and rivalries and they become bitter enemies Forkpa is tempestuous and is charmed by life at the top as head of state Enamored by the presidency he is determined to cling to power at all cost Dahn is a cool professional soldier who though charmed by life in the limelight wishes for a return to true civilian rule devoid of military men who have exchanged their uniforms for suits In the clash between the two Dahn is forced to flee Liberia Finding himself in involuntary exile Dahn becomes obsessed with removing Forkpa his archrival from power in an aggressive manner This sets the stage for a violent conflict which will drag the two men and their nation down into the abyss of anarchy Lillian Armfield Leigh Straw, 2018-03-27 An engaging account of an extraordinary trailblazing woman Australia's first female detective LILLIAN ARMFIELD is also the vivid and gripping story of the origins of Sydney's organised crime underworld Special Constable Lillian Armfield was policing Sydney's mean streets during some of the most dramatic years of crime in the city By the late 1920s eastern Sydney was the heartland of organised crime and the notorious turf battles known as the Razor Wars where bloodied bodies were strewn across streets after late night clashes between rival gangs At first disapproved of by her male colleagues and often working solo and undercover Lillian investigated it all from runaway girls opium dens and back street sly grog shops to drug trafficking rape and murder She dealt with the infamous crime figures of the day Tilly Devine Kate Leigh Botany May Smith and their associates who eventually accorded Lillian a grudging respect Lillian Armfield's life and achievements were extraordinary She paved the way for the women of today's police force and her amazing story is also a compelling chapter in Australian true crime history **The Crow's Dinner** Jonathan Carroll, 2024-08-27 The Crow's Dinner weaves a tapestry of tales spotlighting striking poignant moments of raw human emotion and fleeting connections keenly and compassionately observed by Carroll This collection is a nocturnal journey through intimate encounters in cafes episodes of

beautiful youth without shelter and the subtle unraveling of personal facades As one critic wrote It captures a magic akin to the invisible compassionate observers in Wim Wenders Wings of Desire who peer into the soul of Berlin absorbing the silent stories and hidden pains of its inhabitants With narratives that are concise yet profound often spanning just a page or two each piece centers around a pivotal experience or theme unraveling layers of meaning and insight Carroll s work is reminiscent of a Zen koan each story a path to deeper understanding inviting readers into a reflective journey Terminus: The Pub That Sydney Forgot Shirley Fitzgerald,2018-01-22 For over thirty years the Terminus Hotel had stood dilapidated and abandoned on the corner of Harris and John Streets in Pymont shrouded in mystery and a heavy coat of ivy and the memories of its publicans and customers long faded Told with fascinating insight and rich detail historian and author Shirley Fitzgerald uncovers for the first time the stories secrets and long forgotten characters from what was once regarded as the toughest pub in Sydney and today has been brought back to life and reopened as a heritage gastropub for locals and visitors alike First built in 1863 the Terminus evolved from local meeting place to workers pub through very different liquor laws that allowed children to be served and finally to its last trading years in the 1970s and 80s where the clientele comprised of hardened merchant seamen and wharfies biker gangs and curious punters who were served by topless tattooed barmaids and entertained by rock bands Revealing its changing personality through photographs and interviews Terminus The Pub that Sydney Forgot offers a beautiful and captivating social history of Pymont through the lens of one pub now open for the enjoyment of a new generation of patrons to make their own history **Buried Not Dead** Fiona McGregor,2021-02-01 Novelist Fiona McGregor s new book Buried Not Dead is a collection of essays on art literature and performance sexuality activism and the life of the city It features performance artists writers dancers tattooists and DJs some of them famous like Marina Abramovi and Mike Parr while others like Latai Taumoepeau Lanny K and Kathleen Mary Fallon are important figures but less well known In her portraits of these performers and artists and the scenes they inhabit McGregor creates an intimate and expansive archive of a kind rarely recorded in our histories Fiona McGregor has a deep and enduring involvement in the worlds she represents She came of age as an artist during an outpouring of performative queer creativity in a community that celebrated subversion dissent and uninhibited partygoing and in her writing she observes the shift from that moment to new forms of cultural repression McGregor is a participant in her essays as well as a witness she sees through an artist s eyes and records what she perceives with a novelist s insight In excavating the lives of others she reveals her own and shows the possibilities that exist beneath the surface of our culture Compromise averse dangerous this book is also a precious archive of radical art making witnessed firsthand Maria Tumarkin MacGregor has a fine eye for the moment in a text or performance when the marvellous happens Cutting across the boring divides between high art and low dives Buried Not Dead is alive to what s alive McKenzie Wark In a world that bludgeons you into numbness Buried Not Dead will startle you back to life McGregor s book is a shriek of rage and a cry of pleasure and sometimes it is hard to tell one from the
