[The Basics of Foreign Exchange Markets](#) William D. Gerdes, 2018-03-19 In an increasingly interdependent global economy an understanding of foreign exchange markets is more critical than ever These markets are inextricably entwined with underlying monetary standards and consequently they are treated conjointly in this book Four different foreign exchange rate regimes are analyzed including exchange rates under commodity money fiduciary money fiat money with fixed exchange rates and fiat money with flexible exchange rates For more than eight decades most countries have operated with fiat money Proponents maintain that fiat money provides individual countries with much greater monetary autonomy Yet both analytics and experience indicate that this is not always the case Whether a country has more monetary autonomy depends on whether fiat money is paired with fixed or flexible exchange rates Although flexible exchange rate regimes are not without their critics it has become increasingly apparent that fiat money with flexible rates provides individual countries much greater monetary autonomy This arrangement allows participants in foreign exchange

markets greater latitude for adjusting to the wide variations in national monetary policies that are prevalent with fiat money. Several audiences may find this book beneficial: undergraduate students in economics and finance; students of international business; graduate students in executive programs who need to expand their knowledge of international finance and practicing executives and managers, especially those who are employed by companies operating globally.

Inventory Management Mohamad Y. Jaber, 2009-08-11. As markets become more dynamic and competitive, companies must reconsider how they view inventory and make changes to their production and inventory systems. They must begin to think outside the classical box and develop a new paradigm of inventory management. Exploring the trend away from classical models based on economic order quantities to dependence on inventory management.

The Wine Value Chain in China Roberta Capitello, 2016-11-21. The Wine Value Chain in China: Global Dynamics, Marketing and Communication in the Contemporary Chinese Wine Market presents information on China and its role as a relevant player in the international wine industry, both as supplier and consumer. The book provides new insights into the global dynamics of the wine industry, expanding the knowledge of academics, practitioners, and students on the growing demand for wine in China. Special attention is paid to the supply and demand changes, their impacts on Western wine supply chains, and new market opportunities. The book contributes the latest research findings to increase the understanding of the context of wine consumption in China and the most suitable marketing and communication approaches. The book aims to provide academics with the most adequate methodological tools to study a novice market, with both conceptual and empirical chapters included. The book covers a range of topics, including the behavior of Chinese consumers and their attitudes towards wine, the cultural context of wine in China, the characteristics of the wine supply chain in China, and its development, the impact of China on Western wine supply chains, wine marketing and communication in China, wine branding in China, including counterfeiting, wine education in China, the links between wine, food, luxury, and Western products in China, and wine tourism. Collects and collates research on wine consumer behavior in China. Presents an outstanding scholarly look at wine marketing studies. Offers a whole market perspective that focuses on demand. Provide academics, practitioners, and students with new investigation tools in marketing and communication that are in line with the characteristics of this market. Draw conclusions relevant to other emerging markets, detailing why China is different from other such markets.

Fundamentals of Multinational Finance Michael H. Moffett, Arthur I. Stonehill, David K. Eiteman, 2012.
