Contract Law Neil Andrews, 2011-05-26 This textbook takes a fresh approach to contract law as a first edition it reflects the subject in the 21st century more accurately than other texts Comprehensive and scholarly it maps the curriculum perfectly but detailed references and further reading sections encourage students to explore the subject further Understanding is paramount and chapter introductions clearly guide students through the material The textbook takes an innovative approach to case law breaking down and discussing individual elements of a case and selecting short key extracts it gives students the tools to read cases independently and with confidence An examination of the historical and theoretical foundations of the subject and a concluding chapter tracking emerging fields ensure the broadest possible perspective Discussion of key recent cases such as Durham Tess Valley Airport 2010 and Chartbrook 2009 make this important new text a must for contract law students Contract Law Jan M. Smits, 2017-06-30 This innovative and accessible text offers a straightforward and clear introduction to the law of contract suitable for use across geographical boundaries It introduces the key principles of contract law by comparing solutions from different jurisdictions and has an innovative design with text boxes colour and graphics making it a highly attractive tool for studying This revised second edition has been updated to reflect the most recent changes in the law including the French reform of the law of obligations and the new UK Consumer Rights Act A whole new chapter on contracts and third parties has also been added

Comparative Contract Law Larry A. DiMatteo, Martin Hogg, 2016 Bringing together leading commercial and contract law scholars from the United Kingdom and United States Comparative Contract Law British and American Perspectives offers an insightful and comprehensive assessment of the commonalities and divergences in the contract law of these two jurisdictions Approaching the subject area from a variety of perspectives doctrinal analysis behavioral analysis law and economics and theoretical the book examines familiar areas of contract law as practiced in the UK and US Topics include contract theory and structure contract formation and defects of consent policing contracts and the duty of good faith contract interpretation damages speciality contracts and legal reform The volume provides a thorough assessment of the current state of commercial contract law in the UK and US and addresses the strengths and weaknesses of the national and European approaches to many issues of contract law In particular it focuses on how commercial contract law should be improved and whether harmonization of the different contract law regimes is a suitable and appropriate solution Understanding the Law of Obligations Andrew Burrows, 2000-11-15 Through these studies of contract tort and restitution Andrew Burrows provides a stimulating guide to the present shape and likely future development of the law of obligations **Sanctity of Contracts Revisited: A Study in the Theory and Practice of International Commercial Transactions** Nagla Nassar, 1995 This work contributes to the theory and practice of long term international commercial transactions LTICTs Such transactions are becoming more of the norm than the exception in the sphere of international trade since they are the most appropriate tool for meeting the demands of an ever increasing sophistication in prevailing technology and financial techniques They mobilize financial operational and manpower capacities which are beyond the means of any single enterprise It is this enormous increase in the use of LTICTs that makes a study of their conceptual basis one of significant importance and interest This work explores the conceptual basis of these contracts and analyzes international arbitral practice involving LTICTs in pursuit of defining the nature and content of such transactions This work should appeal to practitioners and theorists interested in arbitration providing them with a coherent structure of the theory and practice relating to the performance of LTICTs **West Virginia Law Review**, 2014 Contract Law Ewan McKendrick, 1997 McKendrick explores the underlying themes and explains the basic rules of English contract law introducing the current debates about the nature scope and functions of this law and discussing some of the wider controversies surrounding basic doctrines **The British National Bibliography** Arthur James Wells, 2009 Journal of Contract Law, 2001 **Lloyd's Maritime and Commercial Law Quarterly** Lloyd's (Firm), 2003 **Restitution Law Review**, 1999 **Whitaker's Books in Print**, 1998 **Law Books Published**, 2002 Enrichment and Restitution in New Zealand Ross Grantham, C.E.F. Rickett, 2000-07-10 An account of the law of restitution which provides coherence in its relationships with other areas of private law reflects a consistent theoretical underpinning and offers an organisation of the law which depends on theory and contextual coherence **European Legal Book Index**, 1996 *Memorandum* Scottish Law Commission, Current Law

Index ,2003 **Directors' Duties:A New Millennium, a New Approach?** Bruce Butcher,2000-04-13 This book is written from the perspective of a practising company lawyer and is principally concerned with two broad duties owed by directors of British and Australian companies to act honestly in good faith and for proper purposes and to exercise care and diligence Public attitudes towards directors have altered since the mid 1980s and the business community has raised its expectations of directors In response to this shift in public feeling parliament and the judiciary are adopting a new approach to directors duties widening the scope of duties imposed on directors and encouraging a more rigorous approach to corporate governance Directors Duties analyses this new approach with reference to recent English and Australian case law and explores the courts attempts to deal with the myriad of competing interests found within the morass of legal rules equitable principles and statutory enactment which comprise modern company law In examining the latest case law and legislation the author addresses some of the more contentious and controversial issues which directors in the 21st century will need to confront in order to properly discharge the legal equitable and statutory requirements of their office The subject of directors duties is of considerable theoretical and practical importance from economic political as well as social perspectives This unique and important work will be of great value to all lawyers policymakers academics and researchers working in this complex and rapidly changing field of the law
