One For Sorrow:

One for Sorrow, Two for Joy Elise Juska, 2007-06-05 For two quietly unhappy years linguist Claire Gallagher has been living deep in the New Hampshire woods enduring a polite but strained marriage to a highly respected scientist Once a determined overachiever and academic star in her own right she now spends her days avoiding her stalled dissertation and creating EZ crossword puzzles But for all Claire's knowledge of words and their meanings the meaning in her own life eludes her One bleak morning in winter she announces that she's leaving By nightfall at the urging of her younger sister Noelle Claire finds herself heading to the last place she thought she would ever go Ireland the birthplace of her abrasive chronically ill mother and the country Noelle a college dropout now calls home In a small town on the Irish coast Claire's struggle to move ahead with her life takes her deep into the puzzles of her past in a world in which there are no simple answers and the only questions that matter are those of the heart

Remedies for Sorrow Megan Nix, 2023-04-18 This compulsively readable memoir brings to light an issue that has been too long ignored An immensely important book Emily Oster New York Times bestselling author of *Expecting Better* and *Cribsheet* A story of a mother's fierce love for her exceptional child and her courageous journey to break the silence about a hidden risk to pregnant women both a beautiful family story and an urgent call to action A moving potentially life altering book Robert Kolker author of 1 New York Times bestseller *Hidden Valley Road* After a seemingly uneventful pregnancy Megan Nix's second daughter Anna was born very small and profoundly deaf Megan and her husband Luke learned that Anna could have lifelong delays due to an infection from a virus they had never heard of cytomegalovirus or CMV which Megan had unwittingly contracted from her toddler during pregnancy Megan was electrified by this knowledge She had been warned while pregnant about the risks of saunas sushi and unpasteurized cheese a lack of folic acid and an excess of kitty litter She knew to fear a slew of genetic syndromes she could do little to prevent But she had not been told that CMV is contagious in the saliva of one out of three toddlers spread through a kiss a shared cup a bite of

unfinished toast She had not been told that the stakes were high that congenital CMV causes more birth defects and childhood disabilities including blindness deafness cerebral palsy epilepsy and autism than any infectious disease Or that some of these disabilities are evident at birth but others appear suddenly at age two or three and are never traced back to congenital CMV Remedies for Sorrow unfolds across the dramatic landscape of Sitka Alaska where Luke makes his living as a salmon fisherman There Megan struggles to meet Anna s needs and dives deeper into the mystery of why no one not her OBGYN not her toddler s pediatrician had mentioned CMV despite the staggering cost of this silence to families and children like Anna From this rugged and beautiful place comes a memoir about the boundless capacity of mothers the extraordinary child that is Anna and the lifesaving power of truth *No More Time For Sorrow* Dr. Robert Beeman,2010-05-14 Rogue nations with a nuclear punch might not be able to deliver their bombs here in the Homeland but they will shop their wares to anyone who can Terrorists will make their second great attack on the Homeland with nuclear weapons The story tells who will do it how it will be done most likely where and when This is a war story about what happens when mommy and daddy take over defense of the Homeland about a country run by people in such denial that only a second mass death of innocent Americans could jog them out of their ideological stupor It s a story of courage and cowardice the courage to stand head up against power and the cowardice to sanction the murder of innocents for political gain It s a love story about men who love God so much that they re willing to sacrifice anyone but themselves including their own Believers about Americans who love power so much that they re willing to sacrifice their countrymen as long as their policies remain unquestioned and about real Americans who love their country so much that they offer to sacrifice themselves in her defense It s a teaching story containing lessons about ideology trumping survival political correctness trumping plain common sense and agenda trumping truth with a little character building on the side But above all else it s a story of Duty holding apart then welding together some very very good people in the defense of America Some of the bad guys win some of the good guys lose Terrorists kill bravery exalts fuses ignite and lovers find a way And it s a story about simple average Americans watching their country s descent into danger and wondering why in the world common sense doesn t prevail Americans kind of like you and me

all corners of the land rallying those who would fight to save Birddom From the proud might of the eagles to the ancient wisdom of the owls to the unlikeliest earthbound creatures the allies of good must join together to oppose the shadowy menace that threatens them all or fall from the sky forever In an epic conflict of bloodied beak and razor sharp talon of undaunted courage and unspeakable evil of love loyalty and wings of honor the battle for the very soul of Birddom is about to begin
