## Basics Of Cpim:

*The Basics of Achieving Professional Certification* Willis H. Thomas, 2017-07-27 Professional certification has become a very popular topic and a significant number of individuals are making it a priority. Some people are torn on whether or not to obtain a certification to bolster their career. Others see the advantage of diversifying their professional portfolio and pursuing popular certifications in the areas of Project Management.

**Campus to Corporate** Gangadhar Joshi, 2025-04-22 This book offers a fresh perspective on the techniques of coping with the challenges of transitioning from student life to a professional corporate environment. It presents an integrated approach and a workable plan for students to pursue and add value to their careers by developing life and business skills that could be seamlessly woven into a well-rounded personality. This book has been designed to help students stand out in terms of knowledge, skills, and attitude. It delineates the transition needs from classrooms to workplace with clearly defined end results, imparting skills required to excel individually and as part of a team as a matter of regular practice while working in the corporate world. The primary aim of this book is not just to place graduates in the corporate world but also to enhance their employability skills to make them globally employable in diverse disciplines. Replete with easy-to-use tips and tools with real-world applications, this book will be of immense value to final year graduates and post-graduate students as well as placement officers of higher education institutions looking to achieve a good placement record.
