**How to Blog** Mark Growt, 2020-11-11 There are tens of thousands of blogs created every day online Most of these blogs are merely hobbies or personal diaries of the people who create them For some blogging is merely a creative outlet to express their inner thoughts or to simply broadcast their opinions to their audience For others blogging is a vehicle for building a business and continuing to do what they love while having control over their destiny This is the reason I developed an interest in blogging to create content people love and to build on something that I have full control over while being able to work anywhere in the world Blogging is not something that just about anyone can do Sure we can all create a

webpage throw up and blog and start posting to our hearts content but that is no guarantee it will be successful whether you count success as having a large following or making an income to support yourself with Blogging takes incredible persistence and determination without these your blog will be neglected and fall back in line with the majority that can never make any money Treat your blog as a successful business and have a clear vision of the goals you have in mind to take it to the top Here are some of the chapters covered in this guide Getting started Position your blog as a voice of authority Outsource to build a blogging team Creating a lead magnet The dashboard Customizing your website s appearance Blog monetization digital products ebooks Monetizing through sponsored posts Website flipping Listicle blogging How to build an email list Guest blogging Types of content that can sky rocket your blog traffic Best blogging resources Common mistakes AND MORE This book was designed to help you develop a greater understanding of how blogging can be a serious business that can help you earn serious income If you want to generate six figure income through blogging this book can help you do that Remember the process of generating a profitable blog is not an art it s a science There are specific strategies that can be enforced and things that you must consider to generate the income you desire Should you follow these steps however then it should be easy and feasible for you to generate six figures or more every single year from your blog *Make Money Blogging* Sarah Goldberbg,2018-05-08 Have a blog Doesn t it suck to put your heart and soul into your blog only to make NO MONEY from it Wouldn t it be nice even to make money blogging even enough to cover hosting costs and maybe a little more on the side Don t worry you can start making money online but only if you read this book and start NOW Attention readers I ve updated my book with brand new content and some great resources to help you make money online be sure to check it out for more great tips and ideas These proven established legitimate techniques can be easily implemented and within a month you can earn enough to cover your hosting expenses and domain name for a year Who can benefit from this book and who should read it People with established blogs familiar with platforms like Wordpress People looking to make money at home and little extra cash from their blog without an enormous time commitment Who shouldn t read this this book Anyone looking for a get rich quick scheme to make money online These methods work but take some effort on the front end to get started and they take time and patience People with a newly established blog with no readers This book will help you with ideas for future monetization strategies however so you may find it useful What you ll learn in this book How to utilize Google AdSense to generate completely passive income How affiliate links and product reviews can provide value to your readers and passive income for you How guest posting benefits your blog with SEO and how it can put cash in your wallet How information products including online courses can boost your income And more including a list of the best monetization programs currently available AND recommendations for great online courses taught by successful bloggers that s who you want to be right Need another reason to buy this book Here s a fantastic one I feel that children s literacy is extremely important and as such I donate 5% of the proceeds from the sale of my books to Reading Is Fundamental the largest and most respected
