Trust the Process Travis Lowery,2022-12-05 I wrote about this topic because I wanted to share my experiences and the changes I went through This was a part of the process I had to face in getting through I share this in hopes that you avoid some of these changes and challenges I searched for guidance and could not find it I strived to get off the streets and when I did I found relationships to be even more challenging I realized that there was no difference between people in the streets and those who are in a relationship The time I lost not seeing the connection has been detailed in this book My success and my demise are chronicled in hopes that you avoid some of my missteps You are the only gift that has to unwrap itself
