**Discovering Chess Openings:** John Emms,2006-09-01 In Discovering Chess Openings John Emms argues that studying openings doesn t have to be hard work it can be both enjoyable and enlightening The key to successful opening play is not simply learning lines off by heart instead it s the understanding of the basic principles and here the reader is guided through the vital themes swift development central control and king safety

**Chess Openings** Sasha Ivanov,2021-12 The first moves of a chess game are termed the opening or opening moves A good chess opening will provide protection of the king adequate control over an area of the board particularly the center create greater movement for the pieces and open possible opportunities to capture opposing pawns and pieces This book while also explaining some fundamental principles of chess will focus primarily on these opening sequences While the obvious goal of chess is to checkmate your opponent we must first put ourselves in a position to do so That s where chess openings play a vitally important role especially when first learning the game of chess

Inside this book you will discover a variety of different opening sequences that you as a beginner can begin using right away. If you're a beginner looking to improve your skills as a chess player, then mastering these key principles and opening strategies is without a doubt the best place to begin.

*Chess Openings For Beginners* Blake White, 2021-03-02

Have you ever heard about the Queen's Gambit? No, we are not talking about the Netflix series based on the novel by Walter Tevis, 1983, where Elizabeth Harmon aims to rise to the top of the world of chess, a world traditionally dominated by men. In this case, the Queen's Gambit is a classic chess opening. If you want to start playing chess, remember chess openings are a fundamental step to build your strategy and get to know how to read that of your opponent. The problem is that there are so many chess openings that it is difficult for a beginner to know what to choose; not all chess openings are as suitable for beginners as they are for experts. So how are you supposed to choose the best chess opening among others if you don't even know where to start? You only have to click on the bottom below and take this guide in your hands; it will allow you as a beginner to know and above all understand the main types of chess openings. In this book, you will find an exhaustive analysis of each move and explanation for the variations to help you understand the concepts that govern almost every chess opening move, making you a better, smarter player. Learn a selection of main openings and the logic behind the moves to choose the one that fits better and logically in the overall strategy you want to play. Discover the main strengths and traps that exist in these openings to tempt your chess opponent to play a losing move; you will win your games quickly using some of those powerful chess traps. Understand the logic behind the moves of openings to realize how your choices affect openings and then the outcome of the game. Find a list of the main things to do after an opening and the most important general tips for chess beginners. Lot more playing chess is good for the brain and can teach many things: discipline, patience, and confidence in your abilities. Somehow they temper the character and help you be more focused, creative, and think strategically. If you want to take advantage of all these benefits and start playing this game, do not get intimidated if it seems hard at the beginning. With the right manual in your hands, you can start your journey on the right foot. *Chess Openings for Beginners* is the must-have manual for all those who want to start playing chess and want to be sure to find clear information that fully explains the chess openings.

**Pocket Guide to the Chess Openings** R. C. Griffith, Harry Golombek, 2013-03

This book is exactly what it claims to be: a handy reference guide to the basic chess openings, yet small enough to be carried around in the pocket. It contains everything that the average club or tournament player or an aspiring beginner needs to know to get through the chess opening with a reasonable game. It does not contain the latest or sharpest lines. It does not guarantee to get you a winning game from the opening. It is not a book of traps or tricks. It just gets you a reasonable, playable game.
