Flame in Motion Denise E. Stewart,2013-11-05 Love burns like a blazing fire like a mighty flame Love never fails and that is who we are as flames in motion We are Gods love in motion Even though waters may come and try to quench our love and Gods light in us know Gods promise that rivers cannot wash it away Song of Songs 8:7 Denise Stewart in *Flame in Motion* shares her own heartfelt story of challenges perseverance and clinging to Gods love and the light of His saving grace through His Son Jesus Christ Denise openly expresses her love for God and encourages the reader to know that Gods love is everlasting God is faithful Abiding in His love is living breathing and resting in love we can count on because His love for us is enduring love Gods love is not human love even as we are reflections of His love to one another We despite our imperfections are the hope of glory called to shine the light of Jesus Christ to the world We achieve this through intimacy with our heavenly Father Now is the time God wants us He loves us Even as waters rise no matter what is going on in our lives they cannot quench His love because Gods love never fails

Free Us from Bullying Paul T. Coughlin,2018-08-14 Much of what we believe about bullying isn't true An estimated twenty million oppressed children need our help today A critical mission field awaiting Christians is to combat bullying and proclaim liberty to wounded children To counter bullying we must first understand some common misconceptions It is not necessarily true that bullies have low self-esteem and come from abusive homes It is not true that kids who aren't bullied are indifferent to those who are Bullying is not a school problem and teachers are not the frontline defense Children who are bullied do not become stronger adults Bullies cannot be stopped merely with more compassion and understanding In fact bullying stems from the same roots as racism sexual harassment and even genocide and it requires people to combat it in similar ways that they combat other forms of oppression and injustice We often think of combating injustice overseas but we can combat a very real and dangerous injustice in our own neighborhoods After more than a decade of working with tens of thousands of students teachers parents and pastors Coughlin knows that bullying represents the worst in human nature but

combating it promotes the best Kindness and awareness two buzzwords in today's anti bullying movement will not end bullying on their own They must be activated by courage transforming bystanders into righteous loving protectors of targets When we join this mission of love and justice we will become peacemakers who are blessed and called children of God Matt 5
