**The Gifts of the Spirit** Derek Prince, 2007-06-25 The Powerful Gifts Available to You Everybeliever has been given at least one supernatural gift of the Holy Spirit Do you know which you have and how to operate in it Internationally renowned Bible teacher Derek Prince explains that any believer who is not manifesting gifts of the Spirit is living far below the level of God's provision for his life Prince reveals how to Minister to others through the gifts Discern the counterfeit Witness through spiritual gifts Stir up the gift within you One of our greatest necessities in the church today is to demonstrate through the power of the Spirit that Jesus is alive and that His gospel is true The world needs to see the manifestation of the presence of God Believers need the ministry of the body of Christ through spiritual gifts The Gifts of the Spirit reveals how we can fulfill both of these needs practically and powerfully

**Shepherding Movement** S. David Moore, 2004-04-08 An engaging history of the Shepherding Movement an influential and controversial expression of the charismatic renewal in the 1970s and 1980s This neopentecostal movement led by popular Bible teachers Ern Baxter Don Basham Bob Mumford Derek Prince and Charles Simpson became a house church movement in the United States The Shepherding Movement is a case study of an attempt at renewing church structures Many critics accused the movement of being authoritarian because of its emphasis on submission to a personal pastor or shepherd as they termed it

**A Terrifying Grace** Rob Yule, 2017-04-28 Romance and sexual intimacy are among life's highest joys How we handle our sexuality is an ultimate challenge particularly in today's sexualised global culture Rob Yule looks at a fascinating selection of romantic relationships from throughout Christian history from Augustine Abelard and Heloise and the Luthers to Billy and Ruth Graham and Pope Saint John Paul II Illustrating how challenging and far from straightforward the relationship of men and women is in real life he draws many insights for relationships and marriage today A Terrifying Grace explores the romantic relationships of leading Christians throughout history and how they handled sex and marriage What were their relationships and marriages like What did they believe or teach about sexuality and marriage Did their marriages or celibate lives live up to their professed beliefs How did they handle the joys pains temptations and responsibilities of their intimate relationships alongside their public life and witness Even great Christians have struggled to handle their intimate relationships We can learn much from them how to live with integrity in today's hypersexualised culture

**Seductive Spirits** Nathanael Homewood, 2024-03-12 Pentecostalism Africa's fastest growing form of Christianity has long been preoccupied with the business of banishing demons from human bodies Among Ghanaian Pentecostals deliverance is primary among the embodied experiential gifts a loud messy and noisy experience that ends only when the possessed body falls to the ground silent and docile the evil spirits rendered powerless in the face of the holy spirit wielding prophets And nowhere is Ghanaian Pentecostal obsession with demons more pronounced than with sexual demons In this book Nathanael Homewood examines the frequent and varied experiences of spirit possession and sex with demons that constitute a vital part of Pentecostal deliverance ministries offering insight into these

practices assembled from long term ethnographic engagement with four churches in Accra the capital of Ghana Relying on the uniqueness of the Pentecostal sensorium this book unravels how spirits and sexuality intimately combine to expand the definition of the body beyond its fleshy boundaries Demons are a knowledge regime one that shapes how Pentecostals think about engage with and construct the cosmos Deliverance Pentecostals reiterate and tarry with the demonic especially sexually as a realm of invention whereby alternative ways of being sensing and having sex are dreamed practiced and performed Ultimately Homewood argues for a distinction between colonial demonization and decolonial demons charting another path to understanding being the body and sexualities

The Pentecostal Mission in Palestine Eric Nelson Newberg,2012-06-13 The Pentecostal mission in Palestine is a virtually unknown episode in the history of Pentecostalism Its story begins in 1906 at the Azusa Street Revival from which missionaries were sent to Palestine In its first thirty years the Pentecostal mission in Palestine gained a foothold in Jerusalem and expanded its reach into Jordan Syria and Iran It was severely tested and lost traction during the tumultuous period of the Arab Revolts World War II and the Partition Crisis With the catastrophic war of 1948 the Pentecostal missionaries fled as their Arab clients were swept away in the Palestinian Diaspora After 1948 a valiant attempt was made to revive the mission but only with relative success Although the Pentecostal missionaries failed in their objective of converting Jews and Muslims they were eyewitnesses of the formative events of the Arab Israeli conflict Newberg argues that the Pentecostal missionaries functioned as brokers of Pentecostal Zionism He offers a postcolonial assessment of the Pentecostal missionaries crediting them for advocating philosemitism yet bringing them up short for disregarding the civil rights of Palestinian Arabs espousing Islamophobia and contributing to the forces working against peace in the Holy Land

*Holy Spirit Anointing Vol 2* Ikechukwu Joseph, *Father God* Derek Prince,2015-09 God longs for us to know Him not as our ruler our broker or our boss but as our Father In this book Derek Prince reveals the blessings of truly knowing God as our Father There is a Father Who is waiting for you Who will not condemn you Who will not criticize you Who will not point out all of your faults and failings He is just waiting I believe if we could get that message across to the fatherless generations around us many of them would run into their Father s arms That is what they are longing for Derek Prince Charisma and Christian Life ,2003 **Words on Cassette, 2002** R R Bowker Publishing,2002 *Books Out Loud* ,2007 The Charismatic Movement Charles Edwin Jones,1995 *NRB* ,2006 The Roman Pilgrimage George Ngondo,2019-02-23 Without doubt the book of Romans is one of the hardest books in the bible to study and understand and I took one of Derek Princes advice s that you cannot get the full richness of this book if you read it casually The book of Romans if read purposefully and carefully reveals deep spiritual truths about the Gospel of Christ and how we can apply it to our lives to live a victorious life This book is a compilation of all the teachings I took from studying the epistle of Romans using Derek Prince s teachings on this subject matter I view the epistle of Romans as it is in the bible as a compression of the full Gospel of Christ In this book I have expounded the epistle of Romans using Derek Prince s teachings

to make it easy for every Christian to read and understand The book takes a sermon like form and is laden with examples from Derek Prince s teachings and references from many parts of the bible including the new and the Old Testament This book can be richly used for personal study for meditation for exhortation for sermon preparation and for bible study lesson preparation It provides an easy read for every Christian who yearns to live a victorious life in Christ My personal testimony is that as I walked through life in salvation there were still many areas of my life in which I struggled Deep inside me I knew that there must be something more to salvation that could afford me to live a victorious life As I took to this study I received deep revelation about the truth of the cross and as I learnt how to apply these truths God delivered me from many of my weaknesses challenges and bad habits God can do the same for you too If you are experiencing any great challenge in any area of your life and prayer doesn t seem to get you anywhere maybe it is time for you to delve into this truth for it is written Then you will know the truth and the truth will set you free John 8 32

Howard,2001-05-23 Disease and Healing in the New Testament is a comprehensive and critical examination of New Testament data relating to disease and healing from scientific and medical perspectives as well as theological perspectives Particular attention is given to the recorded healings by Jesus in the Gospels and by the Apostles in Acts relating them to modern medical concepts particularly diagnostic categories This book argues that the healings undertaken by Jesus and the Apostles show the consistent and coherent pattern of conditions amenable to folk medicine
