Economy, Second Edition** David N. Balaam,Michael Veseth,2001 **International Political Economy And
Globalization** Javed Maswood,2000-09-05 This book provides a comprehensive introduction to international political
economy and to the different trade and financial issues in the contemporary international system The modern international
political economy is characterized by globalization of production and finance This book explains the growth and
consequences of globalization from a historical and evolutionary perspective It explores not only the long standing issues of
trade protectionism and financial stability but also the newer issues of international labor standards liberalization of
investment regulations and environmental protection One of the greatest challenges of financial globalization is the potential
for destabilizing national economies through a rapid outflow of capital as seen recently in East Asia In this book the East
Asian currency and debt crises are examined in relation to earlier crises in Latin America in the early 1980s and in Mexico in
the mid 1990s It will help readers to understand how politics and economics interact to produce the rules and structures of
international political economy and also to better appreciate the contemporary issues crises and challenges in international
political economy *Routledge Handbook of International Political Economy (IPE)* Mark Blyth,2009-06-02 Providing an
overview of the range and scope of International Political Economy scholarship this important work maps the different
regional schools of IPE and notes the distinctive way IPE is practiced and conceptualized around the world
