It breaks down the 5 stages of the service lifecycle into digestible chunks helping you to ensure that customers receive the best possible IT experience. Whether readers need to identify their customers needs, design and implement a new IT service or monitor and improve an existing service, this official guide provides a support framework for IT related activities and the interactions of IT technical personnel with business customers and users. Understanding how ITIL can help you getting to grips with ITIL processes and the service lifecycle. Implementing ITIL into your day to day work. Learn key skills in planning and carrying out design and implementation projects. [ITIL for Beginners](#) Adam Forbes, 2016-06-10 *ITIL For Beginners The Complete Beginner s Guide To Learn IT Service Management In 24 Hours Or Less* ITIL is a five level framework for information and technology to work together. This framework can be applied to any business or situation in life and if worked properly make everything run smoother. ITIL is a structured framework that has very loose rules. You can take the pieces and parts of the framework and assemble them in such a way that they will relate to you and your business. In this book we will look at the ITIL framework and apply it towards different businesses. We will see why it works and what you can do with it and what it can do for you. At the end of this book you will understand ITIL and start applying it to your own situations. [ITIL for Beginners](#) Walter King, 2016-09-21 *ITIL For Beginners Simple And Easy Beginners Guide To Understanding And Starting With ITIL Implementation In Your Organization* If you are like many new business owners hearing the acronym ITIL can be fairly intimidating. But don't worry ITIL is actually a business strategy that is going to help you much much more than it hurts. If you want to be able to manage technical services that can benefit your business or even run an IT business of your own, implementing an ITIL strategy to help you manage every piece of the puzzle is one of the most efficient ways of getting work done and providing excellent customer service that will leave your customer base glowing. In this book you will discover Ways to break down your services in order to better manage your processes. Types of management and services to break your project down into for guaranteed success. Roles each employee must play and documenting each process. Designing and building your business. Testing your module for success. Constant improvement of your process to keep customers coming back for more. Much much more.
