Godsword Onu, 2015-01-10 The ministers and church workers should be trained well so that they can perform well and do God's Assignments for them faithfully and satisfactorily Many are in the ministry today without adequate training and they have either messed things up or performed by far below God's Expectation from them A minister is not supposed to be a novice and he is to hold the mystery of the faith with a pure conscience The Word says If you instruct the brethren in these things you will be a good minister of Jesus Christ nourished in the Words of Faith and of the Good Doctrine which you have carefully followed 1 Tim 4:6 [Preparing for Ministry](#) Jean Little-Porter, 2002-01-01 **Practical Ministry Training**

**Manual** Prince Mensah, 2020-08-29 Jesus disciplined the twelve and the seventy through a unique method which seems to be missing in the Church and Bible Seminaries today Twenty first century Christians equate discipleship and equipping the saints with accumulating knowledge through bible study But our Lord Jesus Christ was more action oriented practical and his disciples learned by doing as he did He had them listen to him and observed after which they were sent out to preach the Kingdom heal the sick baptize new believers John 3:22 4:1-2 cast out demons albeit not always successfully Matthew 17:14-21 and Jesus used those opportunities to teach them even more He said follow me and for three years they had hands on ministry training A normal disciple of Jesus must not only know the scriptures but must be taught on how to apply the word of God and get results Many are aware that Jesus said those that believe in Him shall lay hands on the sick and they shall recover but several believers don't know how to go about it to see the desired results This book is written to give readers a clear easy to follow roadmap on how to minister Christ to others being it through personal evangelism healing the sick administering inner healing for the broken heart preparing and preaching sermon discipleship church planting and much more The truth of this book has been tried in tested for years in my ministry and in the ministry of several other I have trained through Pistis Bible Institute If you are interested to be equipped for ministry rather than just educated if your desire

is to know the Lord Jesus and do His works as disciple and minister then this book is a must read for you
