### Rooftops of Tehran

Mahbod Seraji, 2009-05-05 From a striking new talent Sandra Dallas author of *Tallgrass* comes an unforgettable debut novel of young love and coming of age in an Iran headed toward revolution In this poignant eye opening and emotionally vivid novel Mahbod Seraji lays bare the beauty and brutality of the centuries old Persian culture while reaffirming the human experiences we all share In a middle class neighborhood of Iran's sprawling capital city 17 year old Pasha Shahed spends the summer of 1973 on his rooftop with his best friend Ahmed joking around one minute and asking burning questions about life the next He also hides a secret love for his beautiful neighbor Zari who has been betrothed since birth to another man But

the bliss of Pasha and Zari's stolen time together is shattered when Pasha unwittingly acts as a beacon for the Shah's secret police. The violent consequences awaken him to the reality of living under a powerful despot and lead Zari to make a shocking choice.

[A Persian Requiem](#) Simin Daneshvar, 2012-06-04

Tribal leaders in opposition to the government, the corruption of occupation, society torn apart by shifting political loyalties: this is the background to one woman's powerful story. *A Persian Requiem* is a powerful and evocative novel. Set in the southern Persian town of Shiraz in the last years of World War II when the British army occupied the south of Persia, the novel chronicles the life of Zari, a traditional, anxious, and superstitious woman whose husband, Sef, is an idealistic feudal landlord. The occupying army upsets the balance of traditional life and throws the local people into conflict. Sef is anxious to protect those who depend upon him and will stop at nothing to do so. His brother, on the other hand, thinks nothing of exploiting his kinsmen to further his own political ambitions. Thus, a web of political intrigue and hostilities is created which slowly destroys families. In the background, tribal leaders are in open rebellion against the government, and a picture of a society torn apart by unrest emerges. In the midst of this turbulence, normal life carries on in the beautiful courtyard of Zari's house in the rituals she imposes upon herself and in her attempt to keep the family safe from external events. But the corruption engendered by occupation is pervasive; some try to profit as much as possible from it, others look towards communism for hope, whilst yet others resort to opium. Finally, even Zari's attempts to maintain normal family life are shattered as disaster strikes. An immensely moving story, *A Persian Requiem* is also a powerful indictment of the corrupting effects of colonization. *A Persian Requiem* first published in 1969 in Iran under the title *Savushun* was the first novel written by an Iranian woman and, sixteen reprints and half a million copies later, it remains the most widely read Persian novel. In Iran, it has helped shape the ideas and attitudes of a generation in its revelation of the factors that contributed to the Islamic Revolution in 1979. Simin Daneshvar's *A Persian Requiem* goes a long way towards deepening our understanding of Islam and the events leading up to the 1979 Revolution. The central characters adroitly reflect different Persian attitudes of the time, attitudes that were eventually to harden into support for either the Ayatollah and his Islamic fundamentalism or alternatively for the corrupting Westernisation of the Shah. The value of the book lies in its ability to present these emergent struggles in human terms, in the day-to-day realities of small-town life. Complex and delicately crafted, this subtle and ironic book unites reader and writer in the knowledge that human weakness, fanaticism, love, and terror are not confined to any one creed. *The Financial Times*: *A Persian Requiem* is not just a great Iranian novel but a world classic. *The Independent* on Sunday: it would be no exaggeration to say that all of Iranian life is there. Spare Rib: For an English reader, there is almost an embarrassment of new settings, themes, and ideas. Under the guise of something resembling a family saga, although the period covered is only a few months, *A Persian Requiem* teaches many lessons about a society little understood in the West. *Rachel Billington The Tablet*: This very human novel avoids ideological cant while revealing complex political insights, particularly in light of the 1979 Iranian revolution. *Publishers Weekly*: *A Persian Requiem*

originally published in Iran in 1969 was a first novel by Iran's first woman novelist. It has seen sixteen reprints, sold over half a million copies, and achieved the status of a classic, literally shaping the ideas of a generation. Yet when asked about the specific appeal of the novel, most readers are at a loss to pinpoint a single or even prominent aspect to account for this phenomenal success. Is it the uniquely feminine perspective allowing the reader to see the world through the eyes of a woman? *Dare the Sea* Ali Hosseini, 2023-09-15

Debut short story collection in English from acclaimed fiction writer Ali Hosseini, named a Favorite Short Story Collection of 2023 by the Chicago Review of Books. The stories in *Dare the Sea* explore Iran's landscape, culture, and the undercurrent of change affecting its people, both in Iran and the United States. The stories in the first half of the collection are set in Iran, in the time before and just after the Iranian Revolution of 1979. Each tale discloses the obstacles rural Iranians lived with on a daily basis and the exigencies of survival: petty theft, corruption, drug trafficking, religion, and love. Stories in the second half take place in exile, where characters are seemingly dropped into American locales like the Midwest or Hawaii, taking in their situation with only the survival skills they've learned in their own land and enduring the hardships of being strangers in a new country. Loosely interconnected by reappearing characters, the stories in *Dare the Sea* are strongly linked by the country of Iran, its landscape, its history, and its hold on its people. *Savushun* Sīmīn Dānishvar, 1990

A very engaging saga. *Washington Post Book World*: A powerfully resonant work. *Publishers Weekly*: Outstanding foreign fiction. *USA Today*: *Savushun* pronounced *sa voo shoon* is a folk tradition surviving in Southern Iran from an undateable pre-Islamic past that conjures hope in spite of everything. The novel chronicles the life of a Persian family during the World War II Allied occupation of Iran. It is set in Shiraz, a town which evokes images of Persepolis and pre-Islamic monuments, the great Persian poets, the shrines, Sufis, and nomadic tribes, all within a historical web of the interests, privilege, and influence of foreign powers, corruption, incompetence, and arrogance of persons in authority. The story is seen through the eyes of Zari, a young wife and mother who copes with her idealistic husband while struggling with her desire for traditional family life and her need for an individual identity. *simin daneshvar lives and continues to write in Iran* **The Zarathushtrian Saga** Tina Mehta, 1995

*A Persian Requiem* Sīmīn Dānishvar, 2002. Set in the southern Persian town of Shiraz in the last years of World War II, with the British army in occupation, the novel chronicles the life of Zari, a traditional, anxious, and superstitious woman whose husband, Yusef, is an idealistic feudal landlord. A web of political intrigue and hostility is created. In the background, tribal leaders are in open rebellion against the government and British occupation. In the midst of this turbulence, Zari carries on normal life within the beautiful courtyard of her house, attempting to keep the family safe from external events. The corruption engendered by occupation is pervasive as Zari's family life is shattered and disaster strikes.
