Cartridges World Complete Illustrated Reference:

Gunshot Wounds Vincent DiMaio, 2015-10-21 Written by the nation's foremost authority on gunshot wounds and forensic techniques as they relate to firearm injuries this third edition of a bestseller provides critical updates to information on gunshot wounds and the weapons and ammunition used to inflict them The book describes practical aspects of ballistics wound ballistics and the classification of various wounds caused by handguns rifles and shotguns It also explains autopsy techniques and procedures and laboratory analyses relating to weapons and gunshot evidence A much needed update after nearly 20 years the third edition of *Gunshot Wounds* provides the latest and most thorough information on firearms and best practices for examining firearm related wounds

Unburied Lives Laurie A. Wilkie, 2021-09-01 According to the accounts of two white officers on the evening of November 20 1872 Corporal Daniel Talliaferro of the segregated Black 9th cavalry was shot to death by an officer's wife while attempting to break into her sleeping apartment at the military post of Fort Davis Texas Historians writing about Black soldiers serving in the West have long accepted the account without question retelling the story of Daniel Talliaferro the thwarted rapist In *Unburied Lives* Wilkie takes a different approach demonstrating how we can listen to stories found in things neglected ignored or disparaged documents not consulted architecture not studied material traces preserved in the dirt With a focus on Fort Davis Wilkie brings attention to the Black enlisted men and non-commissioned officers In her archaeological accounting Wilkie explores the complexities of post-life racialized relationships Black masculinity and citizenship while also exposing the structures and practices of military life that successfully obscured these men's stories for so long

[The Gun Book for Girls](#) Silvio Calabi, Steve Helsley, Roger Sanger, 2013-09-16 This third installment in the popular series of practical books about guns and shooting is aimed at women of all ages the fastest growing segment of the sport and it couldn't come at a better time America and firearms literally grew up together but today guns are often simply linked to crime and violence gun control has become a polarizing political issue and misinformation about firearms is spreading Now three experts have tackled the subject in a series of books that explore the realities of guns and shooting and sets the record straight about some common misconceptions On the heels of *The Gun Book for Boys* and *The Gun Book for Parents* *The Gun Book for Girls* is for girls and women interested in guns and shooting but who have little or no background in firearms Through example and anecdote the book emphasizes safety and proper usage and it defines terms and provides hands-on advice about using and maintaining guns It also covers firearms shooting methods clothing and accessories for women profiles females who shoot and who work in the gun trade and discusses the issues around guns for self-defense a topic of special interest to women Like the other two titles this book is non-political and written in an easy-to-understand conversational tone Each book is thoroughly illustrated and content is presented in easily managed portions that can be read in series or singly all backed up with an index
