Chapter 11 Southeast Asia:

The Sociology of Southeast Asia Victor T. King, 2008 One of the main problems faced by teachers and students who have a scholarly interest in Southeast Asia is the lack of general user friendly texts in the social sciences The absence of an introduction to the sociology of Southeast Asia is especially unfortunate This volume attempts to meet these needs This is then the first sole authored introductory sociology text on Southeast Asia that focuses on change and development in the region provides an overview of the important sociological and political economy writings and considers the key concepts and themes in the field since 1945 Some multiauthored works do exist but these either are outdated or focus on specialized topics Aimed primarily at undergraduates up to the final year it will also be a useful reference work for post graduates and researchers who lack such a general work
