1. Analyzing the following text regarding the impact of the COVID-19 pandemic on the global economy, identify the main points and summarize them in your own words.

<p>1. The global economy has experienced a significant downturn since the onset of the COVID-19 pandemic. Many countries have implemented strict lockdown measures, leading to a sharp decline in economic activity. This has resulted in widespread job losses and a decrease in consumer spending.</p>	<p>2. The impact of the pandemic has been uneven across different regions and sectors. While some countries have managed to recover more quickly, others are still in a state of economic crisis. Additionally, the long-term effects of the pandemic on the global economy are still uncertain.</p>
--	--

<p>3. The pandemic has also led to a significant increase in government spending, as governments have implemented various stimulus packages to support their economies. This has led to a rise in public debt and inflation in many countries.</p>	<p>4. The global economy is expected to continue to face challenges in the coming years. While some recovery is likely, the long-term effects of the pandemic on the global economy are still uncertain. It is important for governments and businesses to continue to work together to address these challenges.</p>
