

# Exoteric vs. Esoteric

Exoteric: intended for or likely to be understood by the general public; current or popular among the general public. From the greek adjective Greek, *exoterikos* (ἐξωτερικός): "*external, outside of.*"

Esoteric: intended for, or likely to be understood by, only a small number of people with specialized knowledge or interest; hidden; mysterious; beyond the range of ordinary knowledge, experience or perception; that which is communicated only to the **Initiated**. From the Greek adjective *esoterikos* (ἐσωτερικός): "*within, inside.*"

**Radical Metaphysics** Richard Schain,2003-02-20 Radical Metaphysics is a project of existential thought aiming to establish the reality of the metaphysical dimension of the mind The author opposes the prevailing materialist monism of current times with an appeal to the intuition of a metaphysical self historically called the soul This book argues that the creative power of the mind is at the heart of reality for homo sapiens abdication of this capacity in the modern world is nothing else than trading one s metaphysical birthright for a mess of reality poor technological pottage The will to development is described as the basic manifestation of the metaphysical self A cosmovision is espoused which involves an extratemporal firmament of metaphysical being

**Routledge Library Editions: Occultism** Various,2022-07-30 The volumes in this set originally published between 1978 and 1992 draw together research by leading academics in the area of the occult and provide a rigorous examination of related key issues The collection examines occultism from a broad range of disciplines from shamanism and the occult tarot to the esoteric and spiritualism It includes volumes across the disciplines of religion covering new religious movements spiritualism ritual and magic practices The three books that comprise this set include investigations into the evolution of occultism as well as the history and practices of the occult as a religious movement This collection brings back into print insightful and detailed books and will be a must have resource for academics and students not only of religion and anthropology but also of history and psychology
