skills are one of the most vital skills to acquire as an EFL learner and the most useful skill for most of the students future. However, traditional language education usually focuses too little on practice and application of the language, especially when it comes to real world tasks that should be practiced inside the classroom as well as task based language teaching. Among the key competencies, the most challenging is typically speaking because of the students negative attitude towards it. This is due to different factors such as not liking the language, anxiety, or lack of vocabulary.
