**Plan Your Life** Samantha Dee, 2019-12-17 Are you feeling a bit directionless? Not sure what you want in life any more? Do you feel like you're in a bit of a rut? Are you feeling like you want to be free from something? Have you experienced a drastic change lately which has made you re-think things? Yep, been there. The key to changing something is knowing where you are right now. A life plan is like a map that people use which shows them where they are and where they're going and most importantly instructions on how to get there. This workbook will ask you a set of questions on the subject of seven main areas of YOUR life: Social and Family Relationships, Money, Personal Finances, Education and Career, Life's Routine Responsibilities, Community Giving Back, Mental, Spiritual and Emotional Health, Health, Recreation, Downtime. It will then give you the free space to design your ideal life using mind maps, goals and tasks which you can act upon so that YOUR dream becomes YOUR reality. Individuals who design their lives by intent are more likely to achieve the things they want than those who do nothing or just hope for the best. The goals that you set in this workbook will point towards your final destination. A dream becomes a goal when action is taken toward its achievement.
