Architecture Aptitude Test Sample Papers Jee:

Steps to Career Siji Thomas, 2017-06-05 For the longest time parents and children both knew and believed that Medicine Engineering Management and Law were the only true careers which could provide job security and steady paycheques However youngsters today couldn't have been more open to trying out offbeat careers They are bold patient resilient and aware of the fact that a career that is in line with their interests has a higher chance of being satisfying An equal or probably more parents are sceptical about these unconventional careers and would rather have their children go in for tried and tested jobs With *Steps to Career* the author has attempted to dilute the dilemma of such children and their parents providing them a wealth of information on the available conventional and unconventional career options to help the children decide the right career for them and the process

Be ARCH Vaibhavi Bhandary, Rahul Rao, Shravan Shetty, 2020-07-19 In a world of rat race amidst an ocean of career options and opportunities students often face a dilemma in making the right choice for their careers While some of them find themselves at a juncture of social pressure a few others become a victim of lack of knowledge regarding various courses and often end up pursuing a course that may not be what they are really looking for Hence it is vital for students to know the details of a course with clarity before finalizing on their options This book is curated by three young Architects from U WE DESIGN an architectural design firm with an intention to present clarity in the minds of students about the Bachelor of Architecture course and varied doors of opportunities that it can lead to with a hope that their simplified expressions about the course will breakdown the uncertainties that are often faced by every young mind who is out in search of information related to the course The book is not only for students but anybody including guardians parents who would like to ensure the details of the course and the architectural arena If you are somebody looking forward to knowing about studying architecture or currently pursuing BArch this book is an all in one package for your queries Through the narrative pages of the book team U WE DESIGN asserts to build confidence in you in making your choice with clarity and certainty To every aspiring mind with big dreams happy reading and all the best
