**Blogging for Profit** Terence Lawfield,2015-02-11 Blogging for Profit Learn How To Make Money Blogging With Step By Step Instruction We all have heard stories of six figure bloggers making a kill from their blogging activities The internet is also filled with lots of absurd promises on how you can transform from an ordinary 8 5 working guy to an internet celebrity who tours the world as his or her blog makes him or her money on autopilot In as much as some of these stories are true there is a huge difference between those who hear the tales of these millionaire bloggers and those who actually become millionaire bloggers This doesn't mean that those who don't make millions of dollars annually from blogging are losers you don't have to make millions of dollars from blogging to be considered a success story This doesn't mean that making hundreds or thousands of dollars from blogging is any easier in fact you will be amazed that a vast majority of bloggers don't make any money from blogging Many actually end up giving up blogging altogether while many of those who continue blogging never understand how they can monetize their blog leave alone driving traffic to the blog So what do you think would make your blog any different given that a new blog is established every half a second You could easily end up getting lost deep in the volumes of other pages such that no one ever visits your site unless you give them the direct link to the blog then ask them to visit With a new blog established every half a second you need to do something that makes you stand out from the many others that end up not making any money Irrespective of the niche you settle for it is best to understand how to start and grow a money making blog I will take you through a step by step process to help you transform your newly established blog or the blog you are thinking of establishing to a money making venture Although the incomes will differ for different people based on different reasons I assure you that you will make money when you follow this guide Blogging for Profit Here Is A Preview Of What You ll Learn What is a Blog How to
