

Why do we compare ourselves to others?

the answer is simple. it's because we feel threatened and we are in competition with each other. there is no comparison where there is no competition. a lot of people want to be better than others. the only person you should try to be better than is the person you were the day before (in a healthy way). you cannot be your true authentic self if you're trying to be like someone else. you are wonderfully made just the way you are.
