Chapter 1 - Introduction

Project Context

Nowadays people live in a completely different life compared with years ago since the arrival of the technology. Technology is one of the main ways we change the world. Whenever, people meet up together for a several hours, they're going to require food, and beverages. This (*Online Hotel Management System Documentation Chapter 1*) hotel caters for parties like Birthday, Wedding, Anniversaries, Christening and Christmas parties. "The ultimate promise of technology is to make of a world that we command by the push of a button." (Volker Grassmuck).

The advancement of technology has revolutionized the way we do things. It has provided us with means to improves our lives and maximize our sources, time and effort. With the use of this technologies many transactions have become faster, more efficient, accurate and effectiveness to the management. Technology is important in today's world because it serves a variety of function in many of the most important aspects in modern society like communication, education and business.

The current system used by Alton Hotel is a paper-based system in all information of transaction are recorded and stored in a logbook. Operation it takes time to look for what they need and it is not efficient because the owner spends a lot of time in finding the record of the old transaction. They're going a lot of time in changing the records of transaction if the filled up with wrong information due to human error. According to the manager of the hotel, because they keep on doing their job manually, it resulted to a very messy office, lots of papers around the desks and information gathered, the proponents came up with an idea of proposing a system that is relevant to the needs of the hotel, highly efficient to meet their needs and most of all simple. They need to use our system to make easier with their business. The Alton's Hotel is located at Barangay 9 near Zaycoland Resort in Kabankalan City, Negros Occidental handled all logistics associated with food in a bucket, beverages and live band entertainment. The ambience of the place can refresh all the stress of every customer. They can enjoy the fresh air and feel relax. It can accommodate customers from time to time especially nearby places from Kabankalan City.

The proposed Alton Management System with Online Accommodate aims to organize data that computerized the process of managing their transaction and recording inventory of their food and beverages.

General Objectives

The objective of the study is to develop on automated system and to replace the manual operation currently used by the Alton Hotel.

Hotel Management System Project Documentation Introduction

In today's digital age, the availability of Hotel Management System Project Documentation books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Hotel Management System Project Documentation books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Hotel Management System Project Documentation books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Hotel Management System Project Documentation versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Hotel Management System Project Documentation books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Hotel Management System Project Documentation books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Hotel Management System Project Documentation books and manuals is Open Library. Open Library is

an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Hotel Management System Project Documentation books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Hotel Management System Project Documentation books and manuals for download and embark on your journey of knowledge?
