ACCCN's Critical Care Nursing - E-Book Leanne Aitken,Andrea Marshall,Wendy Chaboyer,2015-10-01 With each edition ACCCN s Critical Care

Nursing has built on its highly respected reputation. Its contributors aim to encourage and challenge practising critical care nurses and students to develop world class critical care nursing skills in order to ensure delivery of the highest quality care. Endorsed by the Australian College of Critical Care Nurses (ACCCN), this 3rd edition presents the expertise of foremost critical care leaders and features the most recent evidence based research and up to date advances in clinical practice, technology, procedures and standards. Expanded to reflect the universal core elements of critical care nursing practice, authors Aitken, Marshall and Chaboyer have retained the specific information that captures the unique elements of contemporary critical care nursing in Australia, New Zealand and other similar practice environments. Structured in three sections, ACCCN's Critical Care Nursing 3e addresses all aspects of critical care nursing including patient care and organisational issues while highlighting some of the unique and complex aspects of specialty critical care nursing practice such as paediatric considerations, trauma management and organ donation. Presented in three sections: Scope of Critical Care, Principles and Practice of Critical Care, and Speciality Practice, Focus on concepts that underpin practice: essential physical, psychological, social and cultural care. New case studies elaborate on relevant care issues. Practice tips highlight areas of care particularly relevant to daily clinical practice. Learning activities support knowledge, reflective learning and understanding. Additional case studies with answers available on Evolve. NEW chapter on Postanaesthesia recovery. Revised coverage of metabolic and nutritional considerations for the critically ill patient. Aligned with the NEW ACCCN Standards for Practice.

Critical Care Nursing Leanne Aitken, Andrea Marshall, Wendy Chaboyer, 2019-06-22. Endorsed by the Australian College of Critical Care Nurses (ACCCN). ACCCN is the peak professional organisation representing critical care nurses in Australia. Written by leading critical care nursing clinicians Leanne Aitken, Andrea Marshall and Wendy Chaboyer, the 4th edition of Critical Care Nursing continues to encourage and challenge critical care nurses and students to develop world class practice and ensure the delivery of the highest quality care. The text addresses all aspects of critical care nursing and is divided into three sections: scope of practice, core components and specialty practice, providing the most recent research data, procedures and guidelines from expert local and international critical care nursing academics and clinicians. Alongside its strong focus on critical care nursing practice within Australia and New Zealand, the 4th edition brings a stronger emphasis on international practice and expertise to ensure students and clinicians have access to the most contemporary practice insights from around the world. Increased emphasis on practice tips to help nurses care for patients within critical care. Updated case studies, research vignettes and learning activities to support further learning. Highlights the role of the critical care nurse within a multidisciplinary environment and how they work together. Increased global considerations relevant to international context of critical care nursing alongside its key focus within the ANZ context. Aligned to update NMBA RN Standards for Practice and NSQHS Standards.
