**Current Law Index**, 2000 101 Tax Loopholes for the Middle Class Sean M. Smith, 1998 In a clear clutter free format organized by tax savings goals and including examples planning pointers and checklists this book outlines specific legal tax avoidance and deferral strategies spelling out loopholes for a variety of tax circumstances The New Section 1202 Tax-Free Business Sale Beckett G. Cantley, 2013 On September 27 2010 President Barack Obama signed the Creating Small Business Jobs Act of 2010 SBJA that contains a temporary amendment to Internal Revenue Code IRC 1202 The amendment permits original shareholders of eligible corporation stock to sell the stock without being taxed on the sale The temporary amendment initially only applied to certain stock acquired after the enactment of the SBJA and before January 1 2011 but the amendment was extended on December 17 2010 for another year ending January 1 2012 With the impending sunset of the 15% capital gains rate at the end of 2012 this 100% exclusion from both capital gains taxes and the alternative minimum tax AMT would be a very big financial windfall to business owners with qualified small business stock QSBS A qualified small business QSB is a C corporation with assets of 50 million or less where at least 80% of its assets are used in the active conduct of a trade or business other than certain professional entertainment and hospitality services In general each QSB C corporation may exclude gain in the amount of the greater of 10 million or 10 times the adjusted basis in the corporation Victor Fleischer stated that the main purpose for enhancing the IRC 1202 exclusion is to encourage investment in certain

new C corporation ventures and small businesses Manufacturing construction and retail wholesaling industries appear to be some of the main areas promoted by the expanded exclusion since the definition of qualified trade or business excludes many other major areas of industry This Article provides an overview of the IRC Section 1202 tax free business sale provision the history behind the development of the IRC amendments the apparent intent for enactment the likelihood the Act will achieve its purposes the statute s ambiguities and some policy implications of creating a tax free business sale provision

**Qualified Small Business Stock Under Irc §1202** Christopher A. Karachale,2017 After a short analysis of policy considerations regarding qualified small business stock QSBS this article explains the general requirements to obtain the gain exclusion provided under IRC 1202 The article also considers the related tax deferral provisions for QSBS contained in IRC 1045 Finally the article provides a comprehensive review of the concededly small universe of case law and administrative guidance from the Internal Revenue Service on QSBS Small Business Corporation Stock Anthony P. Polito, discusses and analyzes a number of Code provisions providing special incentives to invest in small businesses Its principal emphasis is the three provisions benefitting various small business corporations Section 1045 allows the tax deferred rollover of gain realized on the sale of stock in one qualified small business corporation into stock of another qualified small business corporation Section 1202 allows a significant exclusion up to 100% for gains recognized with respect to stock of qualified small business corporations Neither of these two incentives is available for investments in S corporations Section 1244 allows ordinary loss treatment with respect to the stock of small business corporations both C corporations and S corporations In addition this Portfolio describes 1242 which grants ordinary loss treatment for losses sustained with respect to stock in small business investment companies
