By virtue of latest technological gadgets like computers, tablets, smart phones, and what not, the Young Generation has acquired tremendous treasure of knowledge of the latest world. Even a lot of latent talent is hidden in remote areas like deep and distant villages which is awaiting proper exposure. In the modern era, everybody has everything except time, and nobody prefers to waste time in travel. Instead, most of the work is done online. Although the Book Reading culture is affected to some extent due to electronic equipments, it has still maintained its space. So far as Learning of a Foreign Language is concerned, in my opinion, in order to learn it, first preference should be given to one's own mother tongue. However, English is the First Language of the world, and hence most of the people learn a Foreign Language through English. In spoken languages of the world, Japanese Language is at No. 2. This book, viz. *NIHONGO N 5*, covers all the portion of N 5 Level of J L P T Japanese Language Proficiency Test Examination. All the matter is explained in a very simple and easy to understand manner. How much knowledge one has acquired could be tested by appearing for JLPT Exams held two times in a year throughout the world. JLPT examinations are conducted by Japan Foundation Affiliated to Japan Govt at various levels N 5 to N 1, N 5 being the beginners level and N 1 being the highest level. Every year thousands and thousands of Japanese Language Lovers appear for these examinations in the world. The Author of this book is involved in this Japanese Language Activity for more than 30 years and has worked so far as a freelancer in the field of Technical Translation, Interpretation, and as a Teacher. While Teaching many 3 experiments have been done, e.g. this language was taught at a village level student who was learning in her VIII std. Studying for about 6 months, she could pass the beginners level with more than 80% marks. After getting certain proficiency in this language, one can get many opportunities to earn sumptuous money on his/her own. One can work as a freelancer or can get employment in the field of MNC in the capacity of a Translator, Interpreter. One can work as a Tourist Guide and find one's own way of earning. In fact, there is a shortage of Japanese Language Professionals, and this Category is always in demand. The concerned personalities and authorities may think of the facts mentioned above and encourage students to learn Japanese Language. If anybody has any doubts, queries regarding the matter given in this book, he

she can contact the Author on mobile e mail All the Best to the Japanese Language Learners of this Book and to all the Japanese Language Lovers

A Short History of Transport in Japan from Ancient Times to the Present John Andrew Black,2022-03-18 A Short History of Transport in Japan from Ancient Times to the Present is a unique study the first by a Western scholar to place the long term development of Japanese infrastructure alongside an analysis of its evolving political economy Drawing from New Institutional Economics Black offers a historically informed critique of contemporary planning using the example of Japan s historical institutions their particular biases and the power they have exerted over national and local transport to identify how reformed institutional arrangements might develop more sustainable and equitable transport services With chapters addressing each major form of transport Black examines the predominant role of institutions and individuals from seventeenth century shoguns to post war planners in transforming Japan s maritime infrastructure its roads and waterways and its adoption of rail and air transport Using a multidisciplinary comparative and chronological approach the book consults a range of technical cultural and political sources to tease out these interactions between society and technology This spirited new contribution to transport studies will attract readers interested in institutional power the history of transport and the development of future infrastructure as well as those with a general interest in Japan
