Practice Questions

The following is a study aid that you can use to learn the details and content of *API RP-571, Damage Mechanisms Affecting Fixed Equipment in the Refining Industry*. There will be about 4-7 questions from this document on your API exam. We do not spend time in class discussing this publication. So it is important that you become familiar with this content in your personal study sessions.

The questions in this study aid are by damage mechanism. An answer key is given at the end of the study guide. We suggest you read about the damage mechanism a couple of times before answer the questions. We suggest that you do this study guide at least twice prior to the API exam.
